FOREWORD

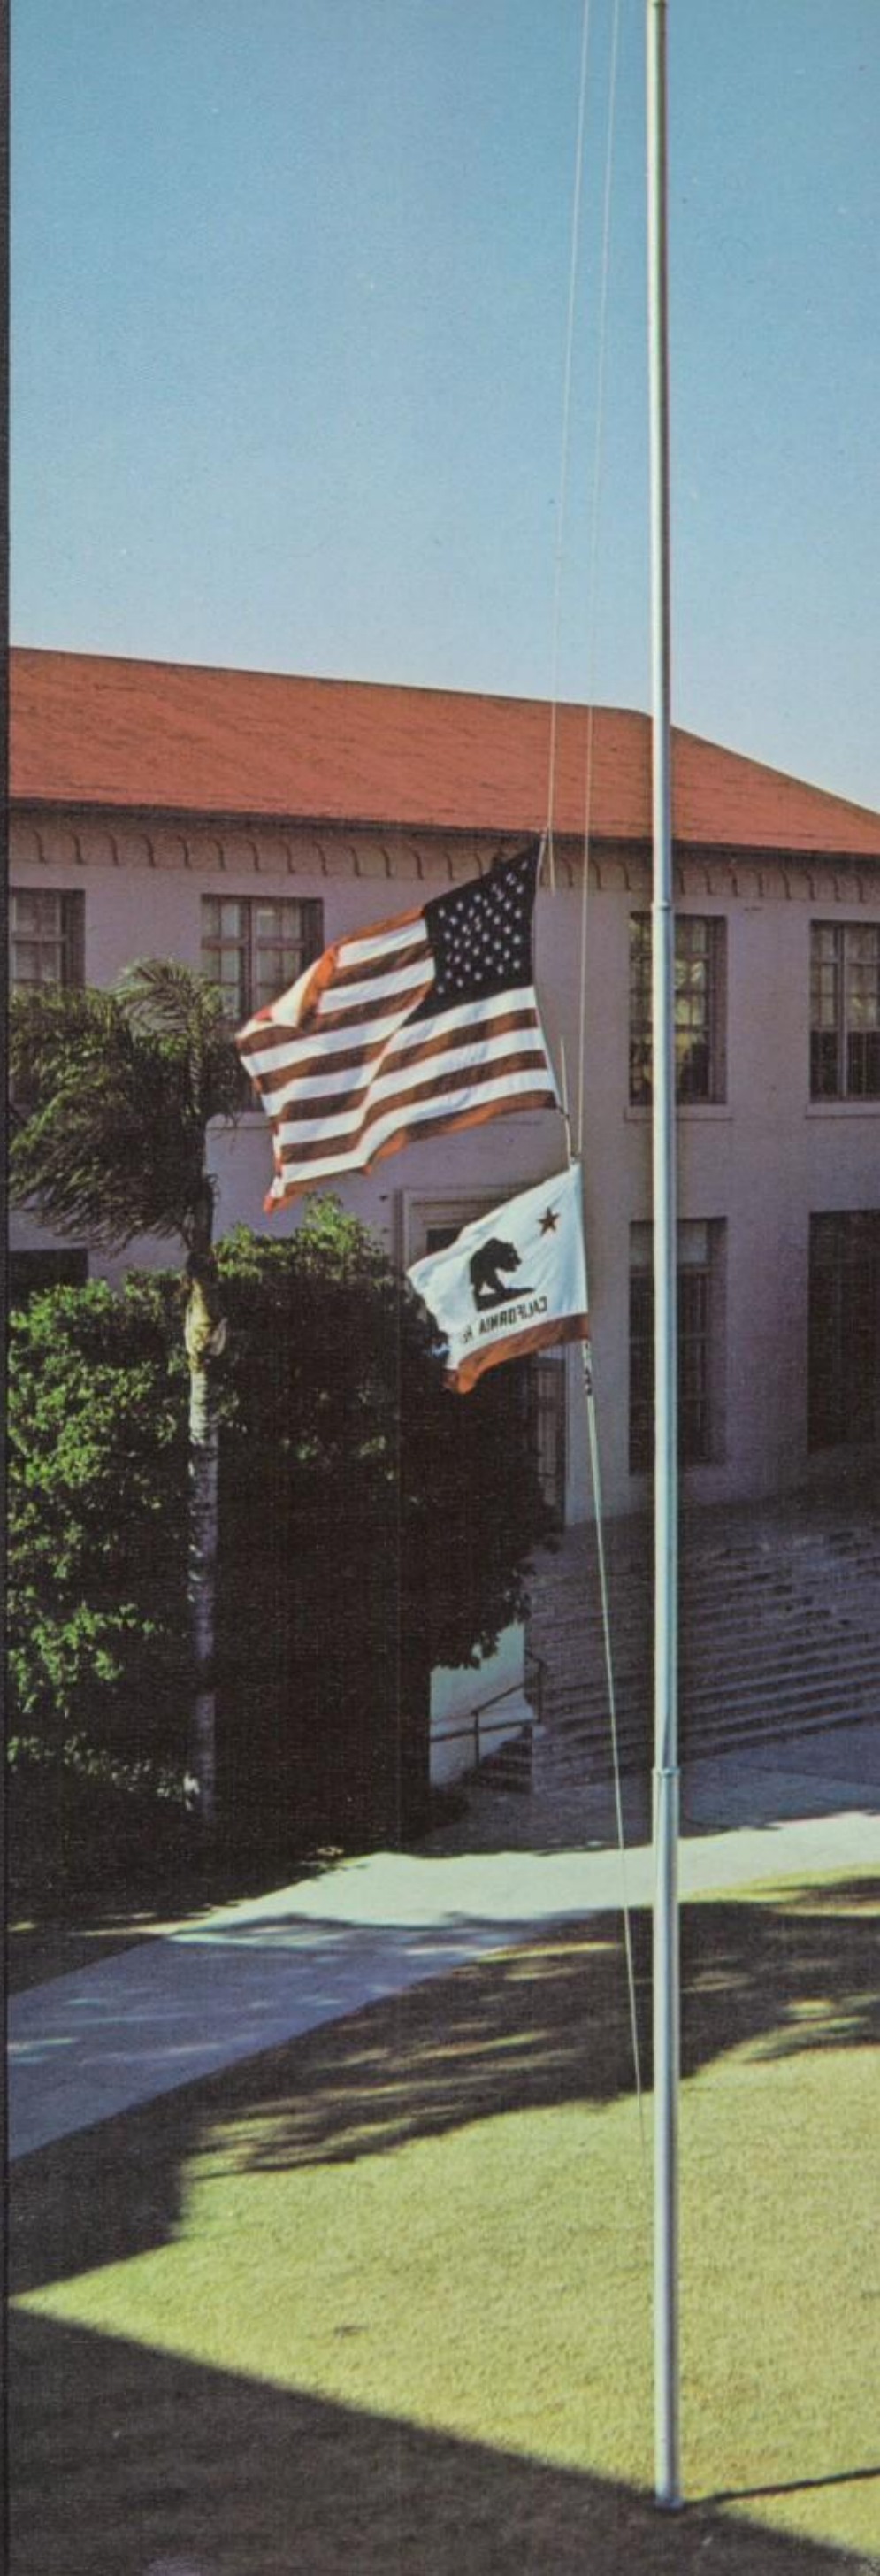
Looking at 1963-1964, Card City citizens may be proud of outstanding accomplishments. Highlights feature the first CBL basketball championship in eighteen years, a record number of 4.0's and academic letters, and unique honors in the journalism, music and art departments.

Nevertheless, we cannot forget that dark week in November when the school and the nation were shocked and grieved by the assassination of President John F. Kennedy. Yet we are renewed when we think of the eternal flame, which may well represent the ever-present enthusiasm of youth.

As President Kennedy said in his Inaugural Address, "The torch has been passed to a new generation of Americans." Proud to be a part of that new generation, we welcome the responsibilities of upholding the torch.

We take advantage of the educational opportunities at SBHS. By obtaining knowledge that will dispel ignorance, we brighten the torch. We nourish warmth by developing concern for our fellowman. Mr. Kennedy's affirmation becomes our prayer:

"The energy, the faith, and the devotion which we bring . . . will light our country . . . and the glow from that fire can truly light the world."



"And so my fellow Americans: ask not what your country can do for you—ask what you can do for your country."

"Ask of us here the same high standards and sacrifice which we ask of you." . . Faculty, Page 8

—JOHN FITZGERALD KENNEDY
Inaugural Address
January 20, 1961

DEDICATION

A small flame flickers on the gentle slope, illuminating a quiet grave. Below on the fields and knolls stretch orderly rows of white crosses. For more than a mile the light from this flame permeates the darkness of the night—a spark of life in the city of the dead.

The life of John F. Kennedy was like the eternal flame now burning beside his grave at Arlington. His one life did so much to illumine a world darkened by conflict and unrest.

Though his life be quenched, his influence lives on. It lives on in the memory of his intense interest in the youth of this nation, in their mental and physical fitness. It is to his memory, his ideas, and his ideals the 1964 TYRO is dedicated.

Grant to us life that
though the man be gone,

The promise of his spirit
be fulfilled.

John Masefield

SBHS Administrators Try to Develop

On the southeast corner of the Cardinal City campus is a plaque dedicated to the memory of our late President John F. Kennedy. This memorial, erected by members of the 1963-64 Student Council, not only commemorates this fine figure in American history, but also symbolizes the events of this school year.

Although this year's student body realized many goals in the areas of scholarship, athletics, and individual student accomplishment, the memory of his tragic death remains with each one of the citizens of Cardinal City. Yet, each one of our students and faculty members was able to overcome this great loss and continue with the tasks at hand.

President Kennedy was a believer in an educated people. He would have wanted all members of Cardinal City to gain as much education as possible during this past school year. He would have wanted us to make every effort to continue to educate ourselves in order to help in the building of this great nation of ours.

President Kennedy was a believer in moral integrity as witnessed by his own life in times of many crises. As each of us look forward to the future, we should pledge ourselves to follow President Kennedy's examples and not fall prey to the loss of moral values which seem to be so ever-present in our current society.

Finally, President Kennedy was a person who was able to combine the traits of competition and affection so that while the desire to win was always a part of his being, he also had compassion for his fellow man. Many of the students who lived at Cardinal City through this year showed the ability to recognize this trait and made it one of our strongest accomplishments.

As the 75th year of San Bernardino High School becomes history, we can all look back upon this diamond anniversary with mixed feelings of sadness and joy. For you who leave our high school and go on to further education or into the world of work, and for those of you who will be returning to Cardinal City, may you keep in mind President Kennedy's words which appear on the plaque in front of our school, "It is not what your country can do for you, but what you can do for your country."

G. KEITH DOLAN

Better, More Capable Citizens for Future

The students in Cardinal City are majoring in many areas because we are a comprehensive high school, but all curriculum areas require the basic skills of listening, speaking, reading and writing. The process of learning is impaired if we are weak in any one of these skills, and, so, the faculty, counselors and administrators have tried to help you develop all of them. In addition to these skills everyone needs knowledge and the ability to make responsible choices and decisions. Our democratic society is founded on this premise. We must, therefore, listen to others, read all of the facts available, and then communicate our own opinion and/or decision by speaking or writing. Since these vital skills are needed through our entire lives, we hope you will not neglect them after graduation or permit any one of them to become impaired.

We have just completed a year that will live in the memories of all Americans for a long time to come. History will record the record of President John F. Kennedy as a short, three-year tenure terminated by an assassin's bullet; but those three years have had a marked affect upon the history of the United States. His immortal words . . . . Ask not what your country can do for you, but what you can do for your country . . . . shall live as a memorial to him and to his philosophy of life.

We, here at San Bernardino High School, have created a living memorial to him. We hope that in the years to come the many citizens of Cardinal City will appreciate this memorial and be proud of the Class of 1964.

T. J. Feeney

Congratulations and best wishes to the Senior Class of 1964.

At this time of year things assume a new perspective and we view differently the "trials" that earlier concerned us so much. Teachers and subject matter do not seem so harsh; athletic contests do not seem so vital; the world no longer revolves around a dance or a party, and plays fade and are replaced by the drama of the future. The daily routine of school that was often seen as a task can now be viewed as a preparation. Life is an ever-moving venture and the process of education is so vital in this endeavor. Your lives have been changed because you were here. Our school and the underclassmen will strive to attain the goals you have mastered.

Congratulations to the class of 1964.

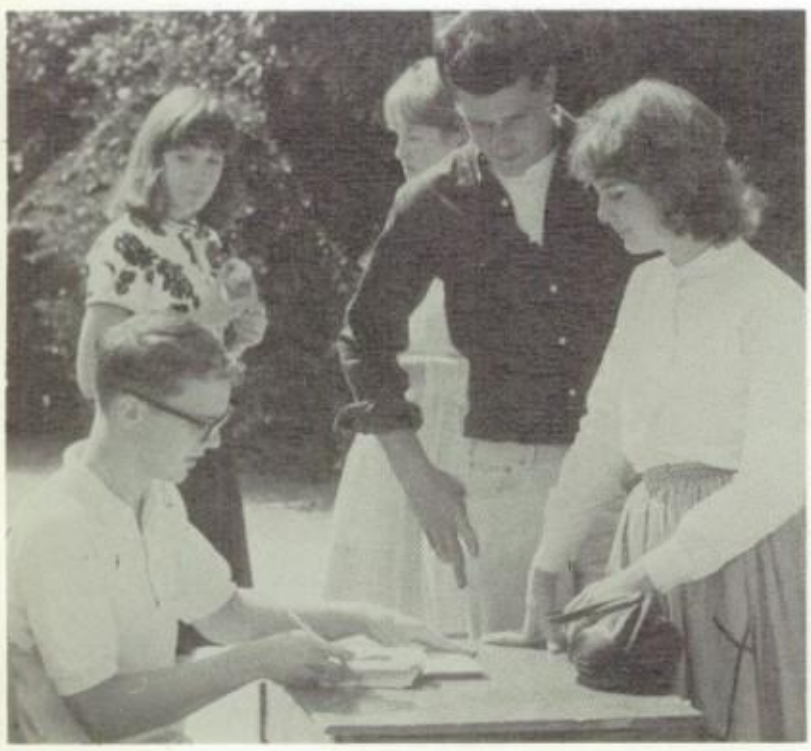
Cardinal City Council has again led a prosperous year of student activities. Mayor Larry Norris has headed such projects as campus beautification projects like the grass in the quad area and the monument to President John F. Kennedy south of the "A" building.

Next year SBHS will reap one of the major projects of this year. In preparation for the Fiftieth Anniversary, a film of SBHS and student activities were directed and shot this year.

Student Council sent $100 to boost the Olympic funds for American participants. A memorial commemorating the death of Ken Hubbs was sent to his funeral.

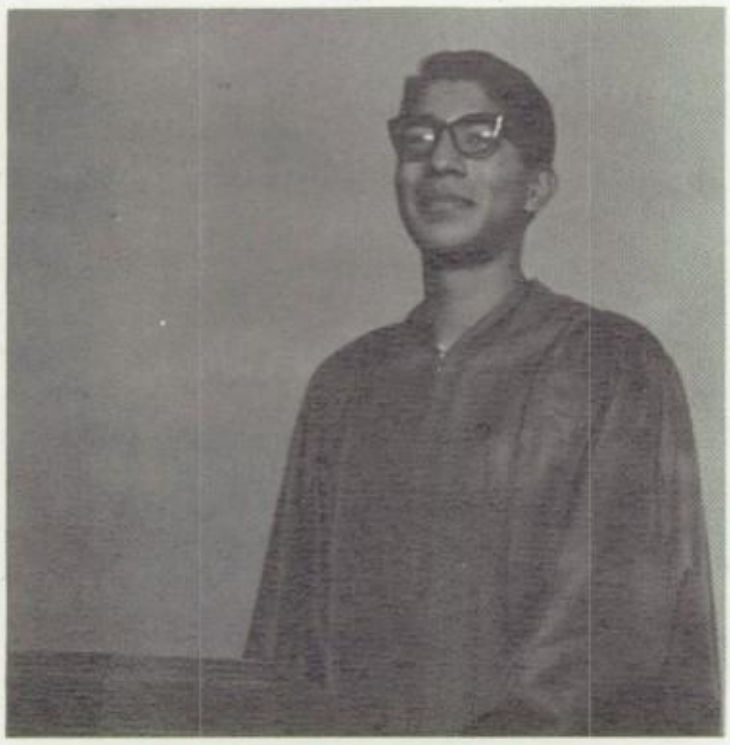
Another major project was the planning of the "Welcome to Cardinal City" sign. This sign will be an object of conversation for many years to come.



Freeman Harris checks registration of SBHS voters.

Student Body elections come in like a lion during the spring months.

Ramirez Inspire Their Classmates



The importance of education was discussed by David Ramirez as he gave his commencement speech to senior class of 1964.

"Education is a very important part of our lives. It certainly does not end for us tonight. We have only begun to learn, and we are just beginning to use what education has already shown us.

"The greatest single factor which makes Americans a modern people, which is now bringing these things to all the people of the world, is education."

David Ramirez

"It was once said that the finest thing education teaches you is to walk alone and to be an individual. If, in our society we, as graduates, learn to place our individual intelligence and determination alongside the individuality of others—we will create a stronger existence for ourselves.

"It is with pride that each graduate takes his diploma, but it is with honor that he takes his education into the world of tomorrow."

Judy Kastleman

"The finest thing education teaches you is to walk alone and to be an individual," was Judy Kastleman's message to the graduating seniors.

Tim Parrish's compelling speech of the brave new world gave many seniors much to reflect on.

"Therefore, our greatest challenge is to weave our thread of destiny into the developing pattern of the welfare state while preserving the essentials of American democracy that have been placed into our hands for safekeeping. We must become the intricate components in a new atomic society, for it will be our duty to lead the mass into this brave new world."

Tim Parrish

Cardinal City was represented with Bank of America Achievement Award winners Bonnie Adamiec, Lonna Young, Linda Cohen and Marcia Henry.

In answering the question: "Automation has destroyed as well as created jobs. In your opinion, will the creation of new positions and the ended leisure time spur people to pursue the purpose of life more meaningful?", SBHS senior Lonna Young won the competition for a $1,000 award in the Bank of America Achievement Awards in the field of Vocational Arts.

pete for Top Score on Scholar Quiz

The SBHS Challenge Bowl is patterned after the College Bowl on television. Questions are supplied by Valley College for competition between schools. In its second year SBHS is represented by seniors Fred Goldstein, Marcia Henry, Dennis Davis, junior Roger Madero, and sophomore Steve Langburg.

With an invitation to appear on KNXT's Scholar Quiz program, hundreds of viewers watched SBHS Varsity Scholars upset the scholars of the largest high school in Los Angeles by a score of 157-82.

Another year of Challenge Bowl has proved for a good academic relationship between schools.

Dennis Davis, Steve Langburg, Fred Goldstein, and Marcia Henry are ready and willing to compete academically for Cardinal City.

Fred Budinger answers pertinent questions on his science fair project on artificial parthenogenesis, the study of an artificial means of reproduction.

The hours spent by students on science projects and time spent on extensive study in a particular area paid off as SBHS seniors Jim Rea and Fred Budinger competed in the Inland Science Fair this year and walked off with first place awards.

Jim Rea received a first place award for his exhibit "Toxidity of the California Trap-Door Spider." Fred Budinger, who placed first in the biological division, received a fifty dollar cash award and a $125 scholarship.

Cardinal City Welcomes Ella Colo

Ella Colo comes to Card City from her home in Milan, Italy.

The American Field Service sent SBHS Ella Colo from Milan, Italy to spend this school year with us. Although life is different in the United States, Ella is very eager to do everything "American."

Ella is seen on the campus always ready to make friends and always smiling. Ella makes her home with Geri Simmons. Ella promotes good will in the community, as well as at school. An excellent student, Ella readily contributes in all her classes.

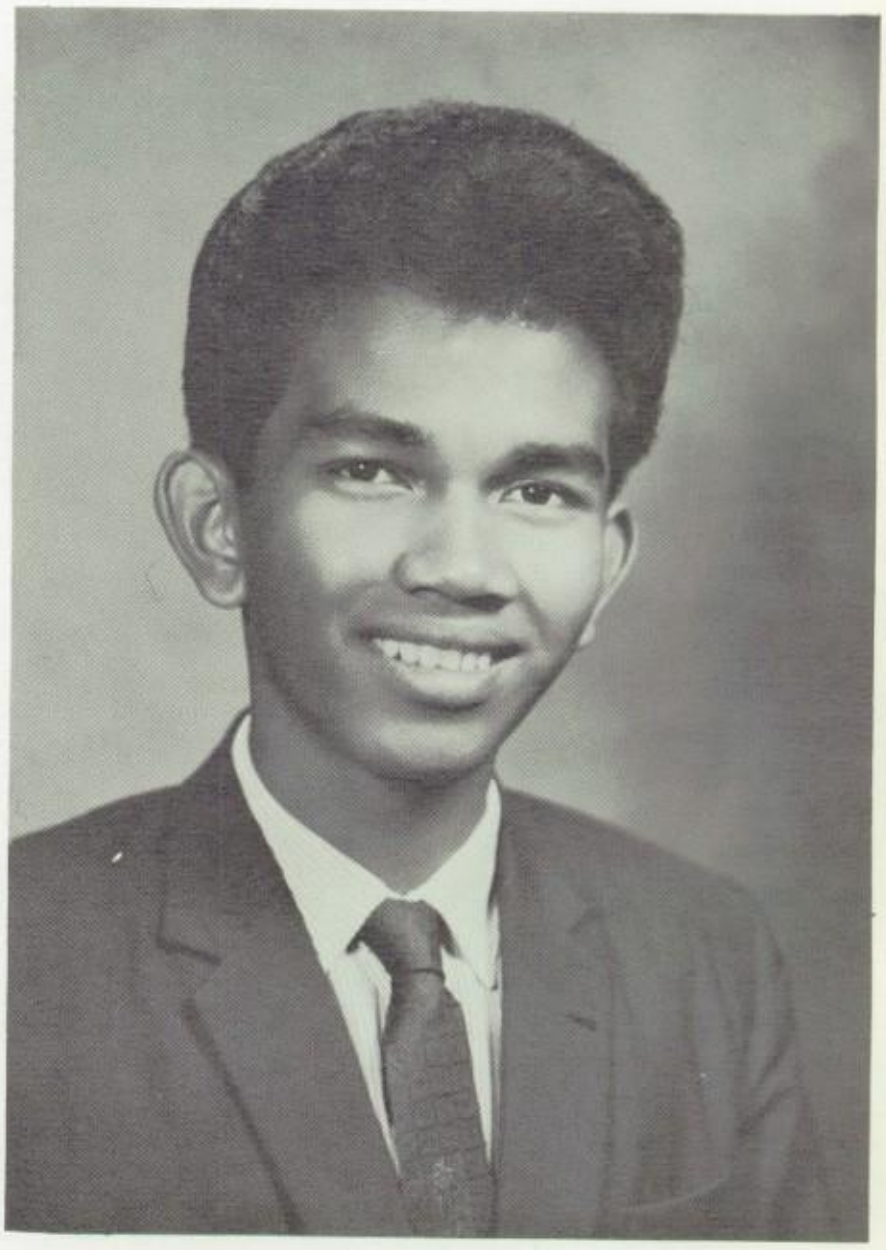
Ella easily adjusts to a busy schedule of homework and school activities.

Mr. Jones answers any questions Ella might have concerning American government.

Ella is very much at home with her new friends at SBHS.

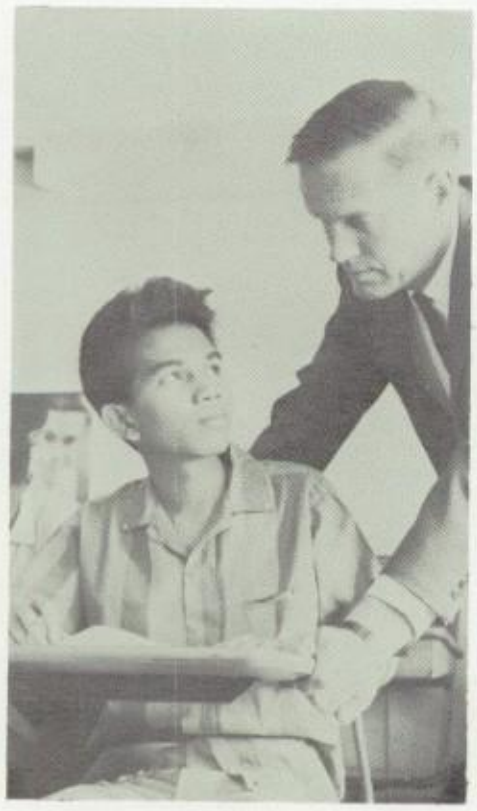
from Italy, Zakaria Nor from Malaya

This year Zakaria Nor is one of Cardinal City's friendly exchange students. Zak came from Malaya to spend his senior year at SBHS. Many new faces welcomed Zak and he smiled back ready to face a new and wonderful year in America. At assemblies this year Zak has shared his native customs and ideas with the faculty and student body. Zak's quick wit and bright smile have made it easy for him to get along with all. Upon the presentation of his Key to Cardinal City Zak replied, "Ask not what SBHS can do for you, ask instead what you can do for SBHS."

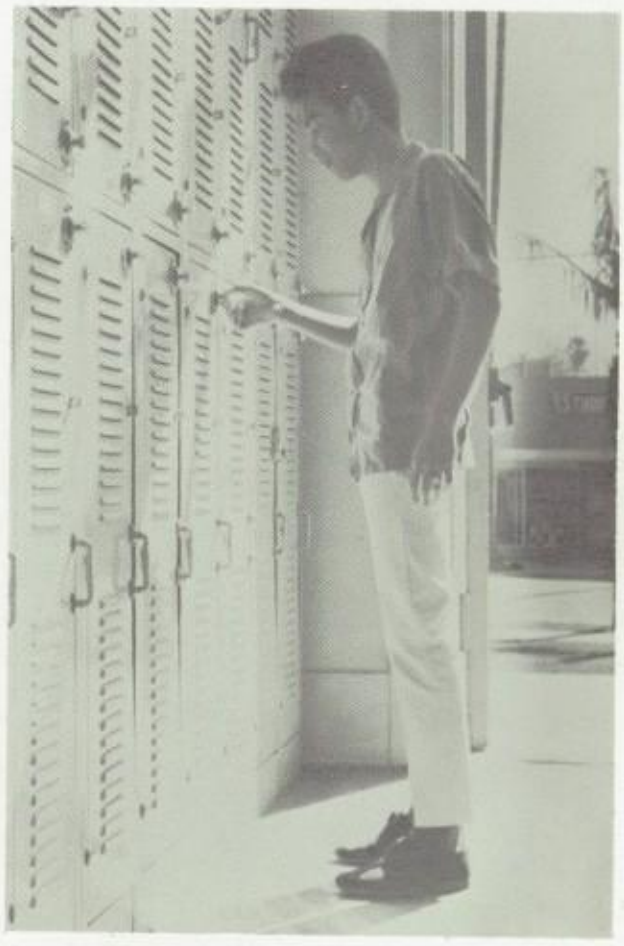


Zak Nor, AFS foreign exchange student from Malaya.

New friends and faces are part of Zak's new way of life.



Mr. Threatt willingly answers any questions Zak has concerning his studies.



Just getting used to Cardinal City and a new type of school routine is a challenge to Zak.

After a typically busy week of searching for new and interesting events, the Tyro Weekly class leisurely reads over their just-printed product.

Under the direction of Mrs. Helen Atkinson, the Tyro Weekly class works hard every week in order to get the newspaper on sale by Thursday afternoon. A very qualified staff of students was well rewarded when the Tyro Weekly was given an All-American rating. This means that the Weekly is among the top school papers in the nation. At the Writing Tournaments this year, SBHS always came home with first, second, and third place awards.

The choice of color, size, style, theme, and dedication of the annual are the first steps in turning out a successful book. Visitors frequent the annual room with samples of paper and cover materials. The business manager and other staff members recruit ads to finance the annual. Class editors alphabetize and panel class sections. Pictures are scheduled and contact with Mr. Threatt and his photographers is a daily must. Such words as "I know it's impossible, but we have a hundred page deadline Friday," are frequently heard by staff members. The lights may burn until ten the night before, but the deadlines are met. The time is well spent as many will enjoy the annual for years to come.

The Tyro Annual staff of eleven students work in the cubby-hole behind C-12 to produce the Tyro Annual. Few are aware of the time spent meeting the deadlines. After school and evening hours are often spent working on the annual.

These beautiful girls competed for the title of Cardinal City's Miss Tyro Weekly of 1963-64, sponsored by Tyro Weekly.

test and Cardinal City Key Assembly

Mrs. Nell Hanf, Ella Colo, Mr. Francis McCrackin, Dr. Elsie Gibbs, Zak Nor, and Miss Elizabeth Dimock were among the Cardinal Key recipients.

Seuchi Tokuyama spoke to SBHS assembly on his foot-journey to Washington, D.C. Seuchi's pack contains 50,000 paper birds to be placed at the grave of the late President Kennedy as a memorial from his people.

Nine Keys to Cardinal City were presented to persons who have rendered outstanding service to San Bernardino High School. Much time is spent in choosing the recipients of the Key. Selected by the vote of Card City Council, those chosen to receive Keys at the special assembly first met a strict list of requirements before being given the honor.

Heading those chosen this year were SBHS Vice-Principal Miss Elizabeth Dimock, and University of Redlands professor, Dr. Elsie Gibbs. SBHS teachers honored were Mr. Claude Turnbow and Mr. Ray Poppett, retired teachers Miss Virgiline Mulvane, Mrs. Nell Hanf, and Mr. Francis McCrackin. Ella Colo and Zak Nor received Keys to commemorate their year at SBHS.

Betty:

Here's wishing you the best of luck in all you do. We have had plenty of in Problems and it was fun having you as a classmate. I hope God will give you all you deserves.

God Bless You.

Sally Merrell

The Varsity cheerleaders and poms practice daily under the supervision of Miss Livingston. These girls who help to generate so much spirit would be hard to get along without. Not only do these girls add color and life to our athletic events, but our cheerleaders and poms create a close tie between the spectators and the team.

The poms and cheerleaders begin practicing long before school ever opens. New routines and cheers are developed and practiced to perfection.

Johnny Cardinal, our mascot, is seen running around at football and basketball games. This year the basketball season brought new outfits for the cheerleaders.

SBHS is truly grateful for the tremendous pep group that hard working students make possible.

Flag Twirlers and "B" Cheerleaders

This year our flag twirlers have been the best ever. More flattering outfits and new routines are typical of the Flags. At basketball season two flags joined to give a total of five twirlers. These girls strive for perfection in step and twirling. Practice and more practice is a must for precision.

The "B" Cheerleaders support our "B" teams. These girls help to promote spirit for many of our varsity players of next year.

The baton twirlers are an asset to our pep groups as they have practiced for timing and control. Much credit goes to the pep groups for all the time and effort put forth to give SBHS an A-1 pep group.

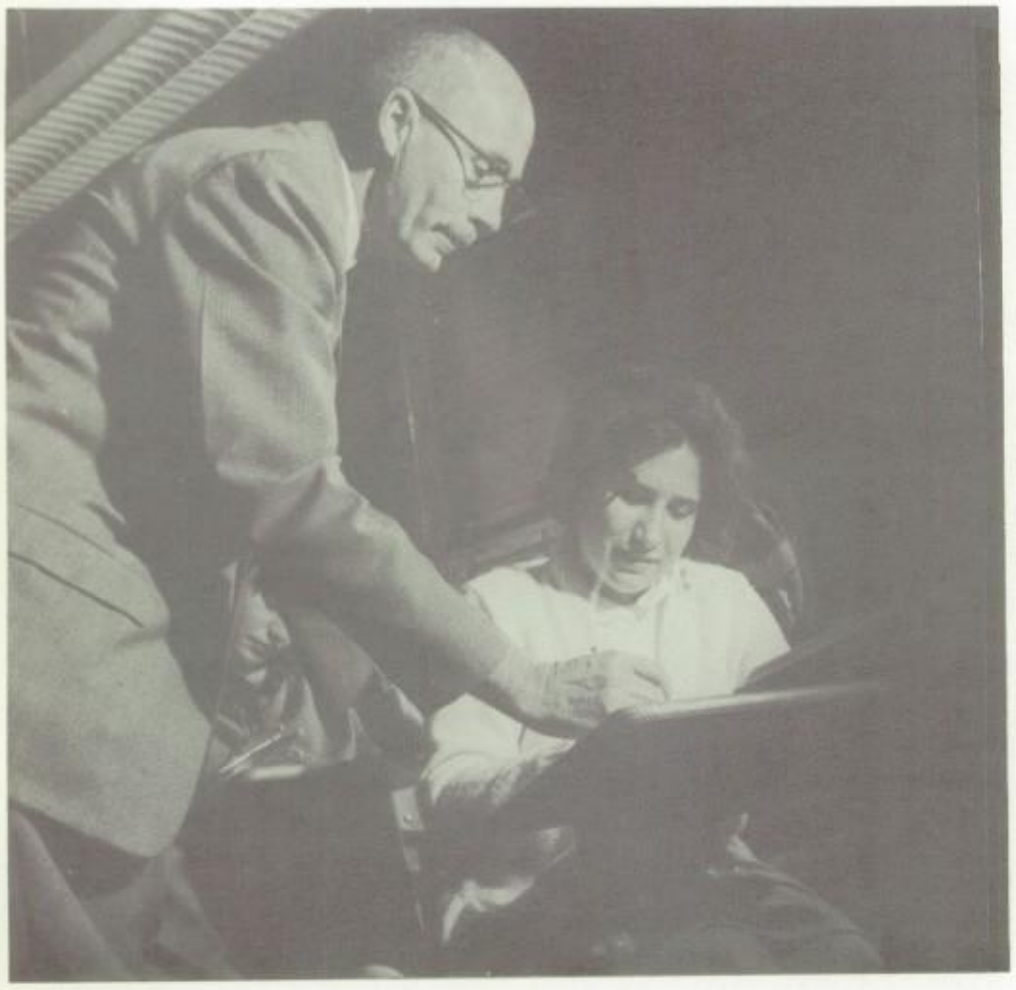
Through the hard efforts of many SBHS students, Cardinal City is more than proud of its choral department. Under the capable leadership of Mr. O. V. "Dutch" Hauschildt, the choral groups sing for the student body, PTA, and other civic organizations throughout the year. The Christmas programs and Easter Cantata are received by a full house year after year.

Mr. O. V. "Dutch" Hauschildt directs all SBHS choral groups.

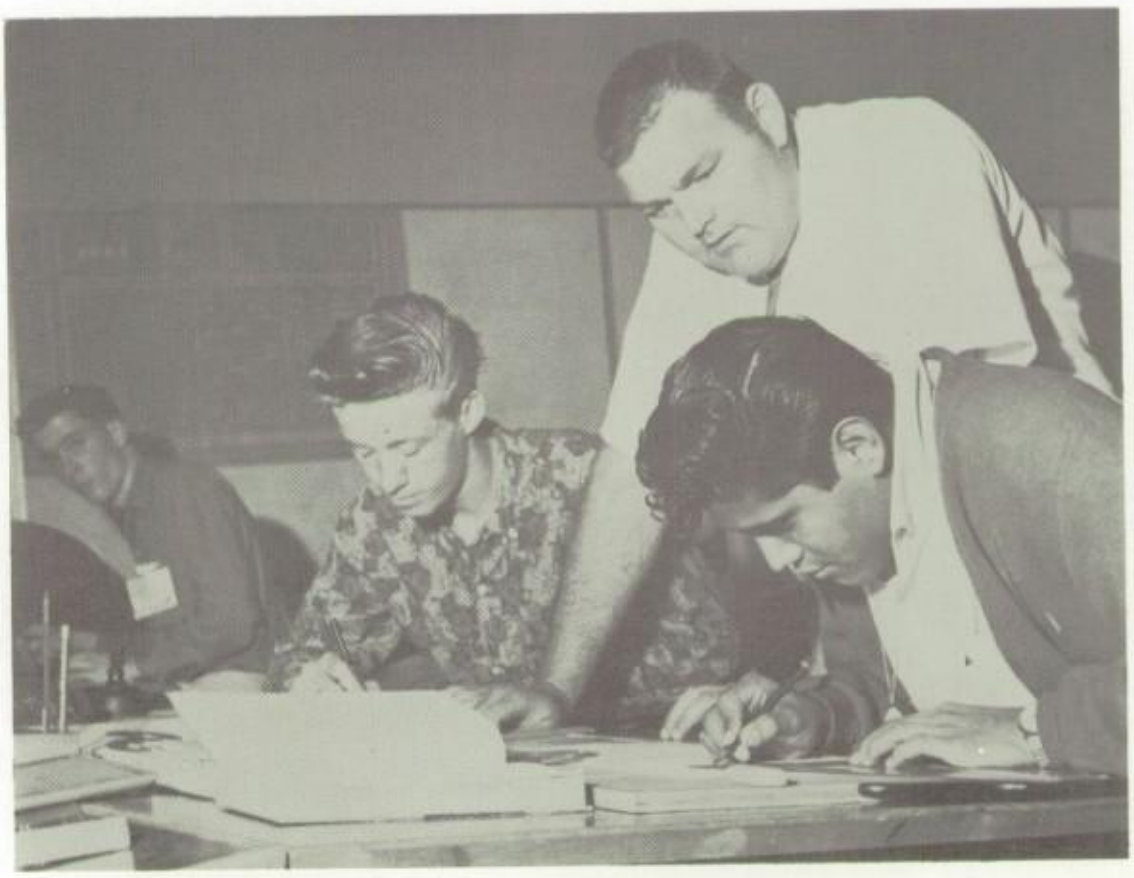
Math, Chemistry, English, and Shop;



Mr. Forrest Keck, a geometry teacher, explains a difficult theorem to one of his students.

The Mathematics Department of SBHS gives students of every level opportunities to further their studies in math. During the past year new and entirely different concepts in geometry, and algebra have challenged both students and teachers. These new concepts are the type that will confront college-bound students and will eventually become the accepted approach to mathematics. This year the Math Club, sponsored by Mr. Donald Tierney, again hosted the junior high Math Marathon. The Math Club, its discussions and interest is another sign of the importance of math at SBHS.

SBHS's Vocational Education provides a good basis for apprenticeship in any of the vocations covered. The carpentry shop, the drafting department, and other shop departments help a student to follow a selected field in order to decide whether or not this is the particular field he wishes to make his life work. By the time an SBHS student has completed a two-year course, he has learned the necessary fundamentals needed for a successful industrial occupation.

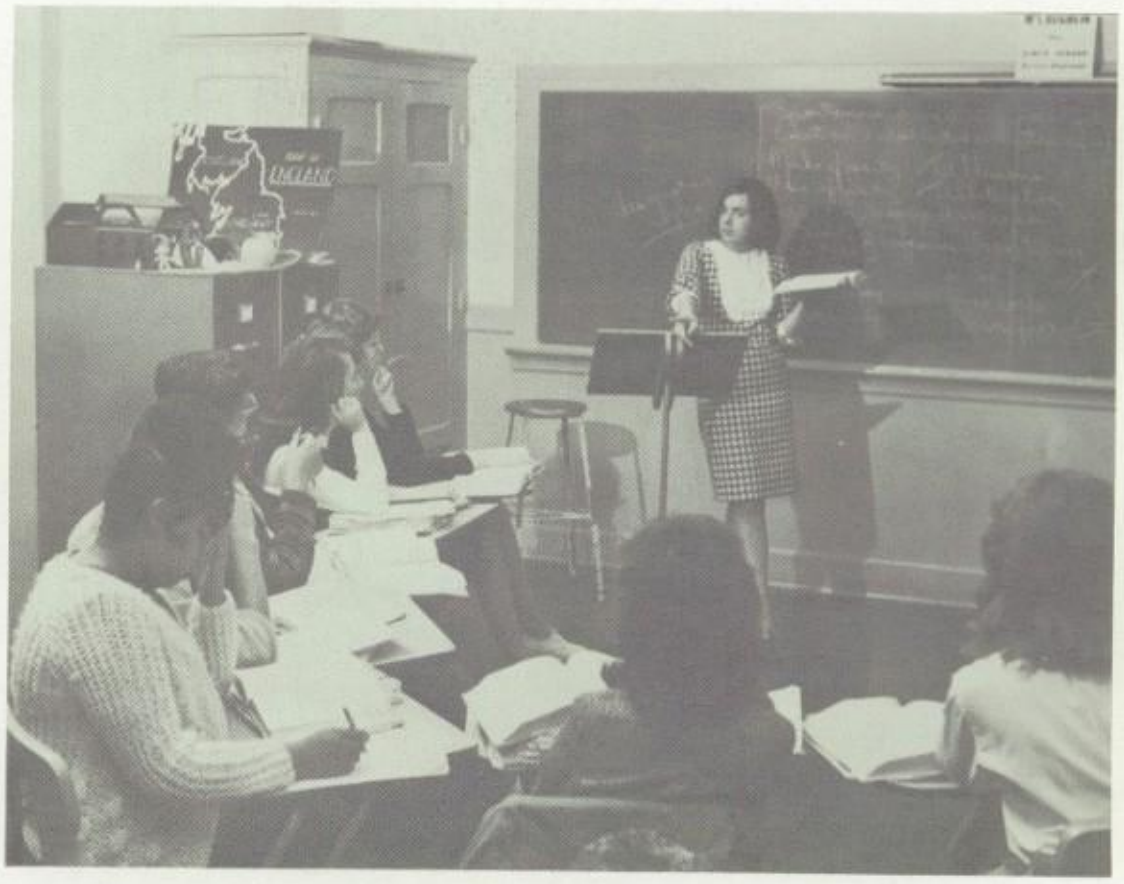


Drafting techniques are explained by Mr. Dick O'Day to advanced drafting class.

All are Parts of Berdoo's Curriculum

The English department headed by Mr. Wilbur Smith gives students the fundamental background needed to succeed with the usage of the English language. Sophomores are given a general background in poetry, mythology, biographies, and their first high school term paper. American literature is the basis for the junior year and much time is spent in getting students to improve their reading habits.

This year one group of Seniors took an experimental course in World Literature. The course will again be offered next year. Senior year English prepares students for college entrance exams and helps to develop creative writing talents.



"All right kiddies, come up with something dynamic and redeem yourselves." Miss Joann Woodward gives a typical lecture to her English class.

The tricks and dangers of an experiment are carefully discussed by Mr. Claude Turnbow before turning SBHS' mad scientists loose in his lab.

Cardinal City's Science Department offers students a curriculum of almost any scientific background they might wish to develop. Mr. Harold Ludwig and Mr. Claude Turnbow introduce the organic sciences to students interested in chemistry. Mr. Van Hainline, and Mr. Charles Wagner deal with the biological sciences giving students instruction in the basic forms of life and actually working in the laboratory with dissections and the use of various lab equipment. Mr. William Lantz guides his eager students in mastering a difficult course, physics. Here college-bound students gain the necessary background for more advanced courses.

Business, Homemaking, Language, and

Miss Sharon Preston drills a typing class for proficiency in speed and accuracy.

Business majors are given many more opportunities to explore their chosen fields this year. Field trips and San Bernardino Valley College visitation days proved to be fun and informative to business students. Different areas in business are taught at SBHS to give the students a large choice of classes to widen their knowledge and skill. Under the direction of Mr. Joe Corrigan, department head, the business department develops character and personality for students who plan to make business their occupation.

The homemaking department of SBHS strives to give girls the necessary knowledge confronted in managing a home. Kitchen and sewing facilities enable many girls to master various skills in cooking and sewing.

The students study child care, first aid, and budgeting. Personality development and problems of marriage are dealt with as another phase of the homemaking curriculum. Girls taking homemaking will long remember ideas and solutions covered in the course.

During homemaking class, Carol Ferguson and Elizabeth Gutierrez listen as Mrs. Mary Stenson explains the art of cake baking.

Art Courses Aid in Choice of Careers

Art department head, Mr. Norman Gauerke, guides the art teachers in setting up a wide variety in art courses. A full program is offered for students planning to take art as their major, or for a relaxing elective. Beginning art, arts and crafts, ceramics, and commercial art are among the courses available. Art students are continually exposed to new styles and techniques by qualified teachers. Talented students are encouraged to enter art contests. SBHS has had many winners in both local and national competition.

Miss Hester Leaverton points out to advanced art students, Sally Buller and Rosie Gonzales, ink techniques.

Under the supervision of Mrs. Maria Rivera, Spanish students listen to tapes in language labs.

Foreign languages at SBHS are subjects of interest to all citizens of Cardinal City. French, German, Latin, and Spanish are offered to language students each year. Not only is the language mastered, but the customs and countries of the foreign peoples discussed. Language labs give students the chance to improve pronunciation and acquire an ear for a particular language. The teachers spend extra hours drilling and answering pertinent questions brought up by eager students. Since foreign languages have become a requirement for college entrance, SBHS is thankful for the language program offered.

YOUTH FOR CHRIST

Through weekly meetings, Youth for Christ seeks to encourage Christian fellowship and provide areas of fellowship for the students. Membership consists of students attending different churches. Meetings feature speakers who discuss religion and the high school student. The club acts as a supplement to regular Sunday worship, and it gives the student an opportunity to learn more about religion. This year's president was Federico Silva and Mr. Scoble was the sponsor.

AMERICAN LITTORAL SOCIETY

This organization provides opportunities for students interested in aquatic research. Requirements for student membership are an interest in aquatic environments, recommendation of biology or science teacher, love of nature and the outdoors, and a nature hobby such as a rock collection or shell collection.

Projects for the American Littoral Society are field trips to the beach and interesting discussions that feature guest speakers. President this year was Fred Budinger and Mr. Hainline was the club sponsor.

GAA Function at SBHS in '63-'64

GIRLS' ATHLETIC ASSOCIATION

The Girls' Athletic Association is composed of girls interested in sports. GAA classes are held every day 7th period as a PE class. After-school sports were held on Tuesdays, Wednesdays, and Thursday, and all girls are welcome to participate.

GAA contributes to school services by decorating the goal posts for football games. The club also decorates the halls at Christmas, entered a float for Homecoming, and sponsors an entry in the Miss Tyro Weekly contest.

CALIFORNIA SCHOLARSHIP FEDERATION

Membership in CSF is limited to students having ten points and no "D's" on their semester report cards, with an "A" equaling three points and a "B" one point.

CSF first semester president David Ramirez and second semester president Ben Treas helped present the annual banquet honoring Sealbearers. A Sealbearer is a student who has been a member of CSF for four semesters, one in their senior year. The CSF Sealbearer wears a gold cord during graduation and earns a pin, the only high school pin won on California College Campus. CSF sponsors were Mr. Lilienthal and Mr. Martin.

CARD CITY CONGRESS

CCC is the direct representative of the student body to the City Council of Card City. Representatives are chosen from each first period class and meet semi-monthly to discuss matters involving the welfare of the students at SBHS.

Card City Congress acts as a check and balance to the Cardinal City Council by representing feelings of the students regarding rules, regulations, and activities sponsored by the council.

The aims of Card City Congress is to build a better and stronger student government by direct representation and direct communication.

AMERICAN FIELD SERVICE

AFS is an international organization dedicated to the conveyance of peace through our foreign exchange student program. The purpose of the club is to promote understanding between the citizens of Card City and the foreign exchange students. Ella Colo from Italy and Zak Nor from Malaysia were AFS students this year at Berdoo. Under the leadership of sponsor Mrs. Kronnick and president Tim Parrish, the American Field Service recorded a second successful year in service.

Ron Acuna and Sally Murietta are married with the help of "Parson Burke" and a chicken band.

KEY CLUB

Preparing boys for leadership and service is the goal of San Bernardino School Key Club. High scholarship and outstanding school citizenship are the principal qualifications for membership. As a member of Key Club International, the club features local businessmen and civic leaders speaking at monthly meetings. President John Anderson and advisors Mr. Clark Jones and Mr. Forrest Keck led the activities of selling cokes and programs at the Civic Light Opera, assisting at the Kids' Day at Norton Air Force Base, aiding Goodwill Industries, and helping with the Kiwanis basketball tournament.

HAM RADIO CLUB

A new club on the campus this year, Cardinal City Ham Radio Club, is already making headway at SBHS. The club, an amateur radio operation, is on the air before and after school, and at both lunches. Located in the "S" building basement, Ham Radio Club was led this year by President Jon Remlinger and sponsors Mr. Lantz and Mr. Ludwig.

GIRLS' LEAGUE

The purpose of Girls' League is to stand for the highest ideals of womanhood, to promote the spirit of good fellowship and democracy in the school, and to be of service to both the school and to the community. Girls' League was founded in 1921 and is the oldest existing club on campus. All girls on campus constitute membership of the club and all women faculty members are honorary members.

Annual projects were the Big-Little Sister Ice Cream Social, Hi-Days, Football and Basketball Homecoming ceremonies, Mother-Daughter Salad Luncheon, a May Day celebration, and various assemblies. Aside from these activities, Girls' League holds elections and participates in two regional conferences a year. The club sponsors were Mrs. Morris and Miss Dimock while Judy MacKinzie served as president.

FUTURE TEACHERS OF AMERICA

This club is an affiliate of the California Education Club and the National Future Teachers of America. The purpose of FTA is to acquaint interested students with teaching as a career and to promote an interest in the teacher observation class which may be taken during the first semester of the senior year.

Activities of the club were attending conferences at USC and UCLA, and visiting Huntington Art Gallery, Ramona Pageant, and San Diego Shakespeare Festival. Miss Bottini and Miss Spaeth assisted Vicki Edwards, this year's president, as sponsors.

Future Teachers—Row 1: *Carmen Molina, Bonnie Adamiec, Sharon Stone, Vicki Edwards, Susan Hess, Vicki Barnum, Linda Lakness.* Row 2: *Patricia Hall, Alice Roelofs, Jane Lund, Cecile Brown, Doris Reitz, Marian Miller.* Row 3: *Barbara Ortez, Dorothy Flores, Sharri Mead, Gloria Cutting, Cynthia Epps, Judy Seago, Cheryl Everhart.*

STATESMEN CLUB

Statesmen Club is a chapter of the Junior Statesmen of America. It is also affiliated with the Optimist Club of San Bernardino. To carry out the club's purpose, which is to "make democracy work," Junior Statesmen holds regional and state conventions. These conventions are conducted much like the United States Congress. The Statesmen program offers students the opportunity of hearing a wide range of controversial speakers. Statesmen members also participate in Youth Appreciation Week by taking the place of city officials for one day. Mr. Lund and Dr. Scott sponsor Statesmen. First semester president was Dave Ringland; second semester, Clint Granath.

SEALBEARERS

Sealbearers are those students at San Bernardino High School who have received three "A's" and two "B's" on their report cards four times, one time in their senior year. If these requirements are met, the student wears a gold cord on his robe at graduation, receives a gold seal on his diploma, and earns a pin, the only high school pin honored on California college campuses.

At the climax of the year, the Sealbearers are honored at a banquet given for them by the members of the California Scholarship Federation.

SOBOBANS

Sobobans has the distinction of being the oldest girls' club on campus. To become a member, a girl must have a "B" average, community service, thirty hours of school service, and a special achievement.

Sobobans have collected money for AUF and worked for Goodwill Industries, the TB Clinic, and at the Kiwanis Tournament. This year Sobobans provided our foreign exchange student, Ella Colo, with a class ring.

Among the many Soboban events are the "come-as-you-are" breakfast, the faculty feed, the exchange breakfast with Pacific and Eisenhower, and the progressive dinner with Key Club. The school year was climaxed by the annual Los Angeles trip. This year's Aurora is Linda Cohen; sponsors are Mrs. Bogatin and Miss Brownell.

1963 Redbird Gridders Are Guided By

Carl Schiller, skilled head coach of the fighting Varsity eleven, can look with pride on the record made by his 1963 Redbird Varsity. Coach Dick Adair is also entitled to his share of success as his men took four of nine games played to capture third place in CBL, a place also occupied by Berdoo's fighting Cards last season.

Highlights of this year's gridiron season featured a 56-14 triumph over Rancho of Las Vegas, the first conquest of the season. Redbird fans stood cheering in the rain to watch Schiller's crew humiliate Colton, 27-13. Nourished by this victory, the Cards forged ahead to halt Riverside Poly, 14-13. Following these victories, Fontana had little chance and was quickly plowed under, 27-14.

The 1963 season also included defeats. The third and perhaps the most crucial game of the season with Berdoo's arch rival, Pacific, showed fans one of the roughest clashes in many years. Pacific took the game, 14-6. In spite of the 37-13 defeat Berdoo suffered at the hands of Redlands, the homecoming festivity was not a complete failure.

From the 1963 Varsity, four San Bernardino Cardinals took honored places on the All-CBL team. Jim Frame, whose yardage gained in the past season averaged thirty-six yards per game, and John Hoak, with his average of ninety-eight yards in passing were named to the first team. Second string was honored with Berdoo's Bob Highland and John Rolan, both outstanding gridders of the season.

The climax to the 1963 season was the Awards Banquet. Of the one hundred twenty-one honors given, thirty-eight went to the Varsity Cards.

Chosen to lead the Varsity squad as co-captains, Leonard Jacks and John Rolan provided enthusiasm and capable leadership. John Hoak was named Most Valuable Varsity Player, and Mario Betancourt was judged as the Most Improved.

Other Varsity lettermen receiving individual recognition were Mike Willhide, receiving the Nick Sederes Trophy for the best Junior on the Varsity squad, Harold Hayes, receiving the Sportsmanship Award, and Austin Pulliams, receiving the Service Award.

Besides these individual awards thirty Varsity letters were given to members of the Cardinal squad.

The Coaches of the 1963 Varsity Football Team are, Carl Schiller, Head Coach; Dick Adair, End Coach; Leonard Pecchia, Line Coach; and Darrel Taylor, Backfield Coach.

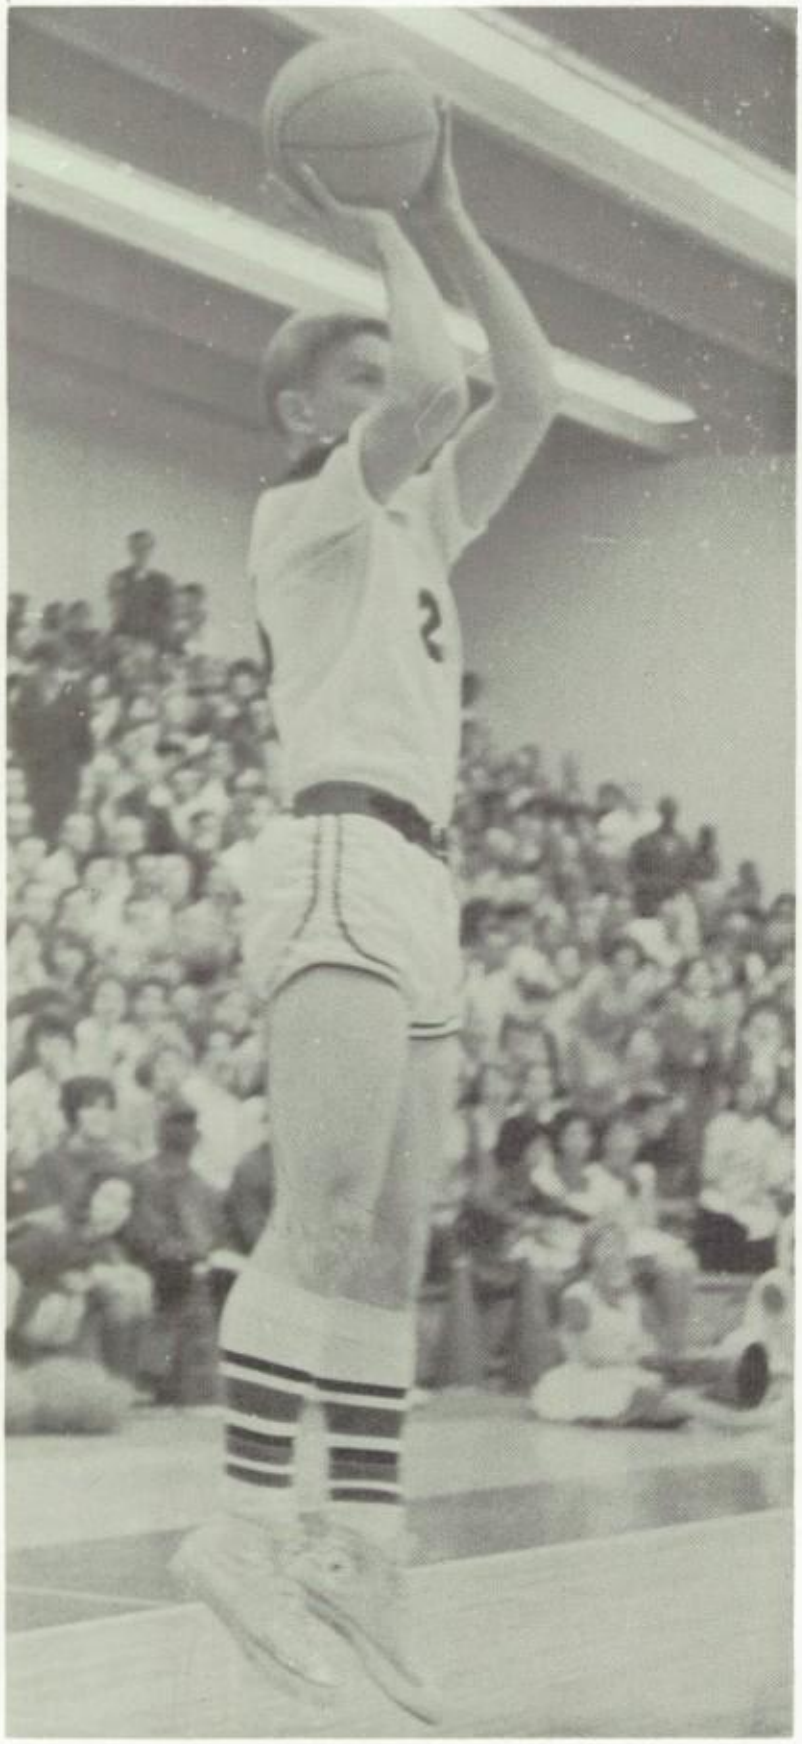
After 17 Years Adair Accomplishes His



Captain of Number 1 CBL team, Jim Frame, shows great form in long shots.

Keep it up . . . .

LEFT TO RIGHT: *Coach Dick Adair, John Hoak, Dorthey Gray, Jessie Smith, Eric Johnson, Ed Rudolph, Ernie Powell, Frank Fortney, Tim*

After 17 years the ultimate was reached as the 1964 Varsity Basketball Team reigned victorious over the Citrus Belt League and also vied for an honored place on the California Interscholastic Federation.

San Bernardino's only true rival this year turned out to be Redlands High, defeating us in our first meet and then losing to the Redbird cagers in the second and last meeting.

In the opening games of the season Berdoo showed its powerful line by defeating its arch rivals Eisenhower and Pacific. Cardinal strength seemed to grow as each opponent was overcome.

SBHS moved into the spotlight as a CIF contender; El Monte was defeated and the Redbirds were stopped only by the Pasadena Bulldogs. The Pasadena game will long be remembered by Card boosters; in the closing moments of the game general confusion from fans and officials alike and the tenseness of the Varsity five left Berdoo with the short end of a 70-60 score.

Unequaled in performance was the strategy of Ernie Powell and Jim Frame in both action and in good sportsmanship.

Honors were paid Adair's men among which was to have four of the Varsity named to the All-CBL basketball team: Jim Frame, Ernie Powell, and Charles Miles, and Sherman Sweeney who placed on the second team All-CBL.

Goal; Tops CBL Competition

Oliverius, Sherman Sweeney, Mike Gabriel, Charles Miles, Jim Frame, Benny Smith. Managers, Tim Martin and George Blake.

As a climax to the '64 Basketball season the Awards Banquet showered the Varsity Squad with honors befitting a top CBL team. Ernie Powell was named as the Most Valuable Player of the Year; Sherman Sweeney was named as Most Improved Player of the Year. The honor of being the Captain of the '64 Varsity went to Jim Frame. The Sportsmanship Award, a highly respected prize, went to John Hoak. Charles Miles was chosen as the Best Defensive Player. Two special awards were given both for the percentage of free-throws. In games the Award went to Jim Frame with an average of 78%; in practice it went to Ernie Powell for an average of 98%.

The most excited and truly honored person on campus this year, Coach Dick Adair, made this simple statement:

"The success of this year's team was certainly a highlight in my coaching career. I feel that I have been most fortunate in working with fine young men every season and the success enjoyed this year by coach, players, and student body is a credit to our school. I have enjoyed working with this hustling group of players and their hard work, common desire, cooperation and a worthy goal to work for, resulted in a CBL championship—long overdue! I shall remember this team for as long as I live."

Most valuable teammate, Ernie Powell, is all-round cager.

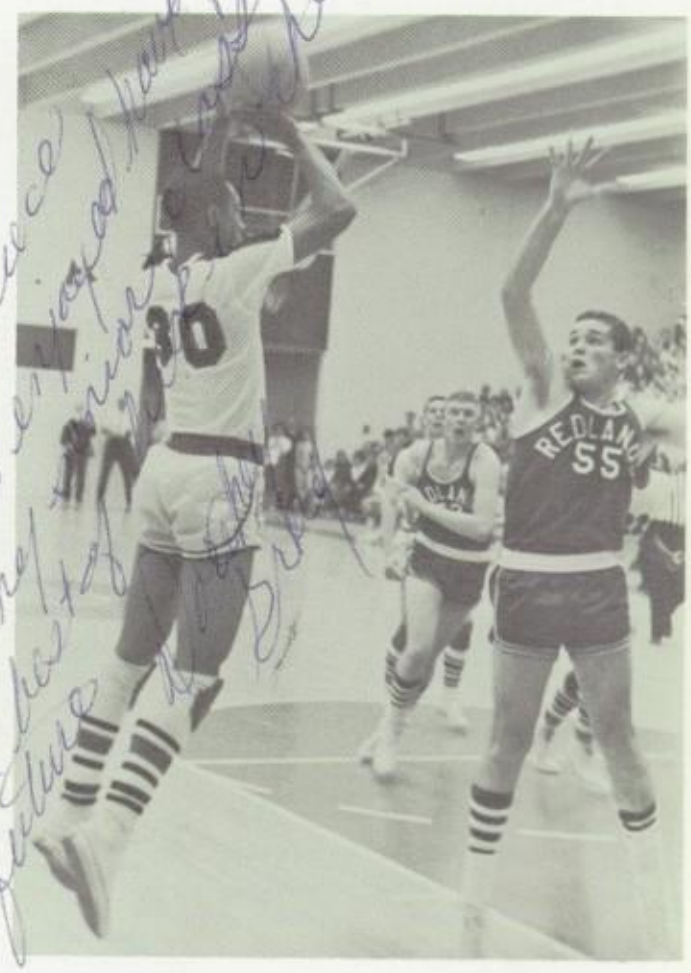
Sweeny Named to CBL Second Team

As opposing players watch defenselessly, Charles Miles sinks the ball to advance the Cardinal score two points.

Jim Frame proves that a winning personality and a winning talent can be combined for an all-around top sportsman.



Team work as well as the individual player is needed for a top team; Dorthey Gray proved this in every Berdoo game.

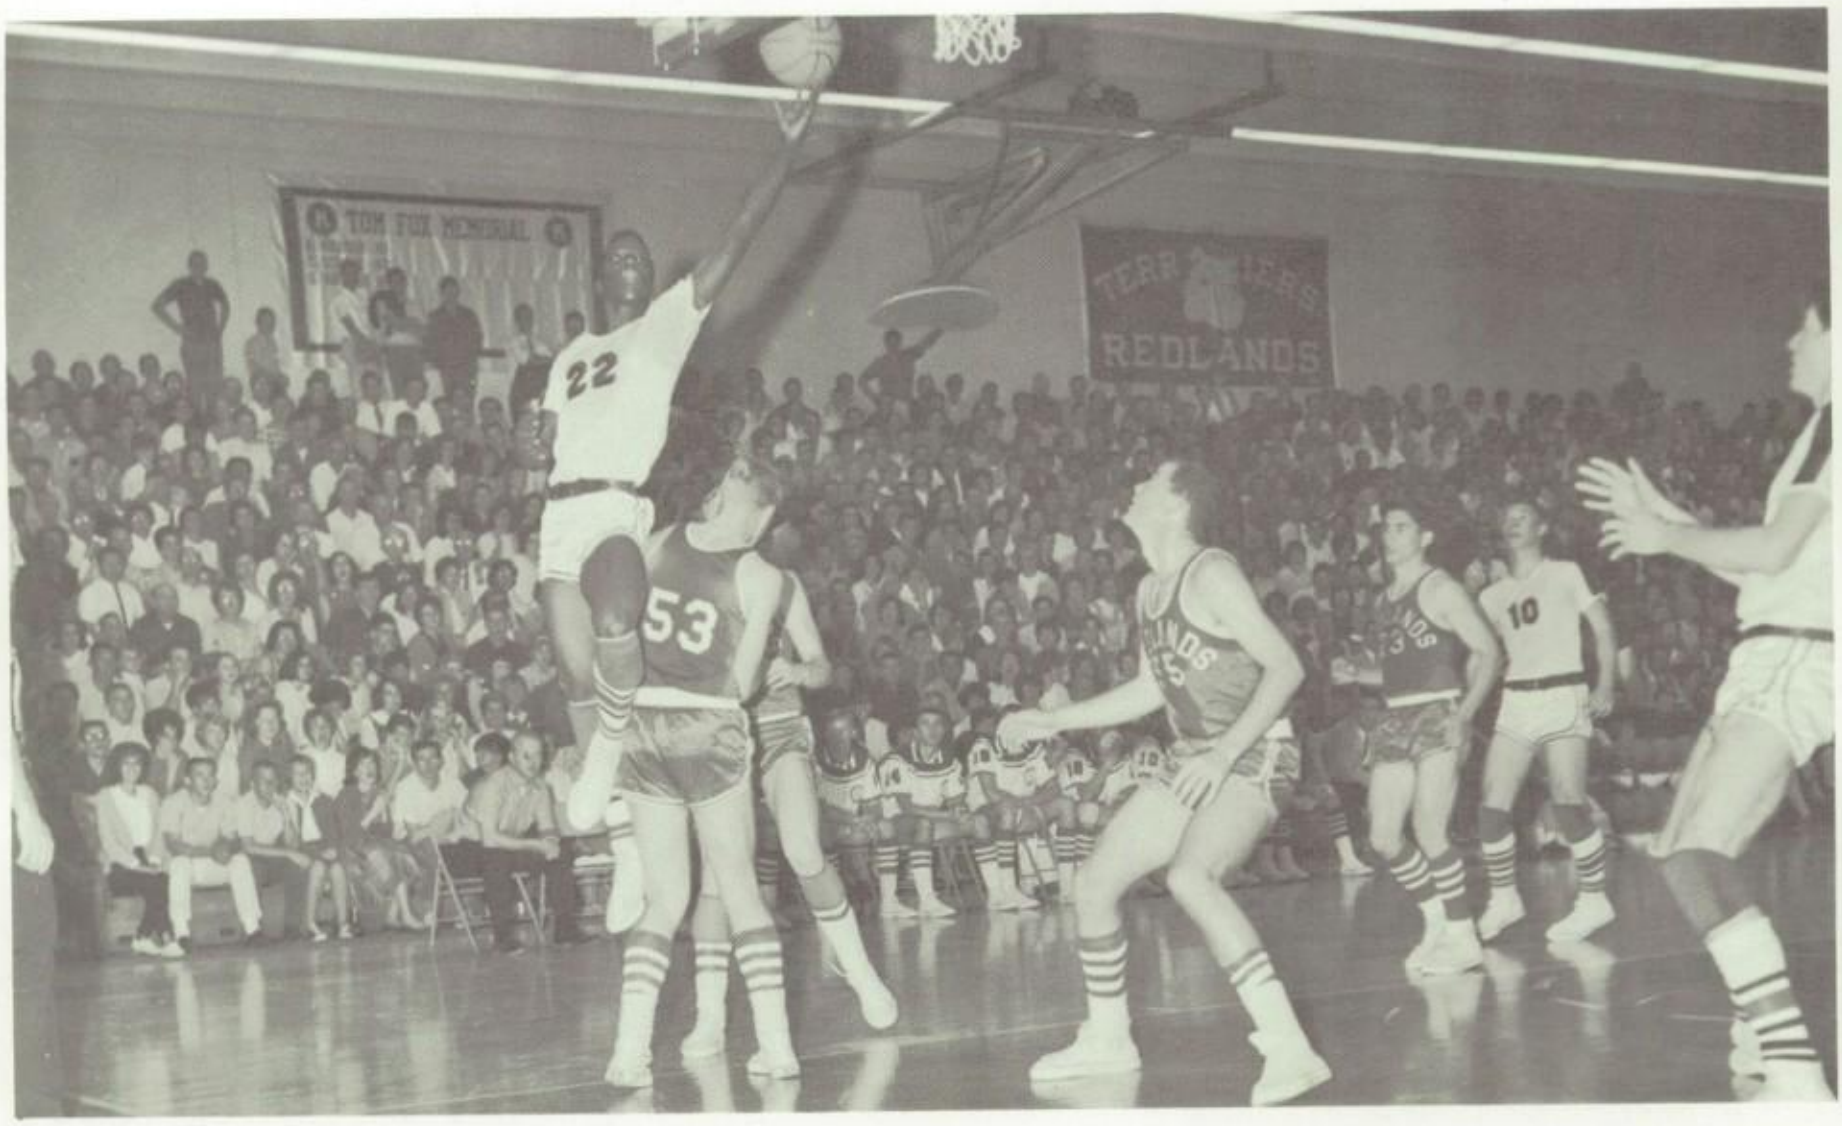
Loyal Cardinal fans give praise and encouragement to players at all Redbird games.

Scribes Had Given Cards No. 2 Rating;



In enemy territory, Redlands' home court, Redbird cager Ernest Powell constantly supplies baskets and scores for high-spirited Redbird fans.

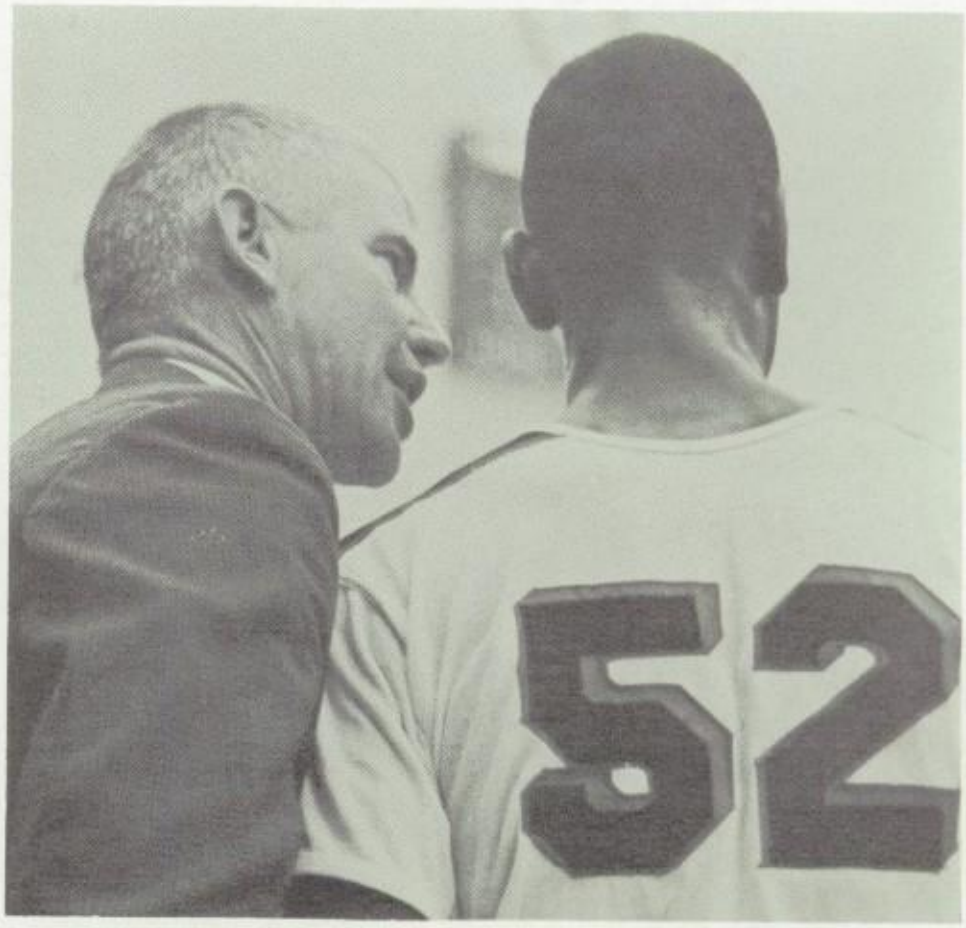
Fighting to maintain their 8th place standing, the Pacific Pirates were no match for the aggressive Cardinals.

Pacific's arch rival this year, Colton, battles the Cardinals in vain to anchor securely their 7th place CBL position.

Defeat Came Via Pasadena in Playoffs

Frank Fortney, with tremendous drive and skill, directed the basketball to the Cardinal cagers in a forceful tip-off.

Eric Johnson, stifling opposing forces, jumps for basket and winning points.



Giving advice and encouragement to Charles Miles, Coach Dick Adair and the Cardinals went on to a glorious victory.

Most Valuable Player Is Ernie Powell;

In spite of a difference of opinion, Coach Dick Adair always kept a cool head.

Adair's right hand men, the managers of the varsity basketball team are, Tim Martin, Jim Hackleman, George Blake.

As if suspended in air, Berdoo's Dorthey Gray lifts ball in to basket.

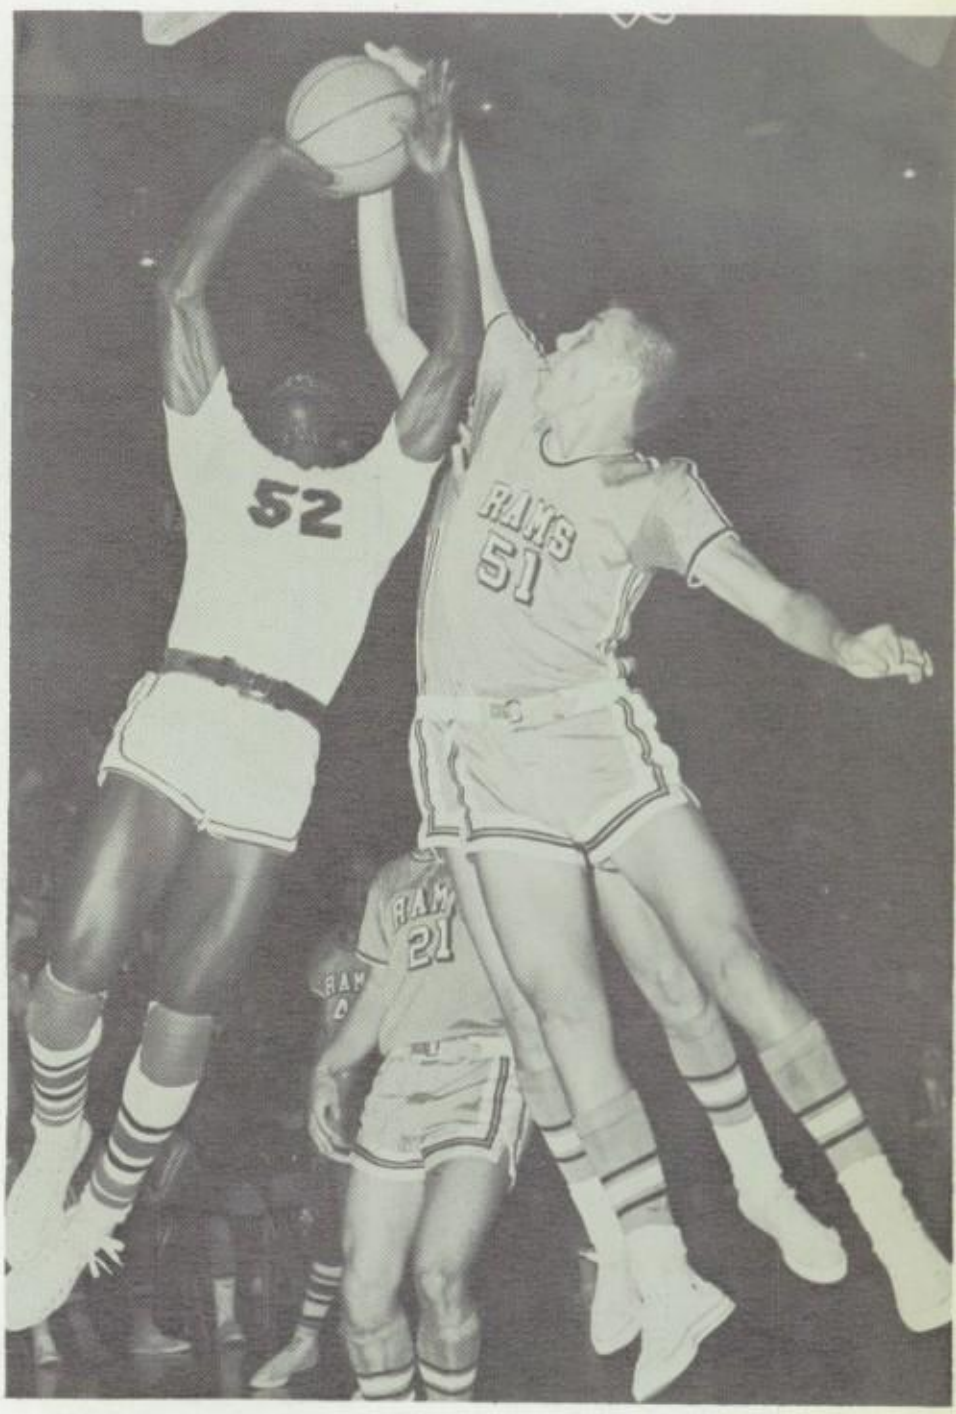
Actions and thrills such as this will long be remembered by the fans of the fighting Cardinal Varsity of 1964.



Although great skill is involved, grace and beauty in form are very evident in this basket shot.

JV BASKETBALL

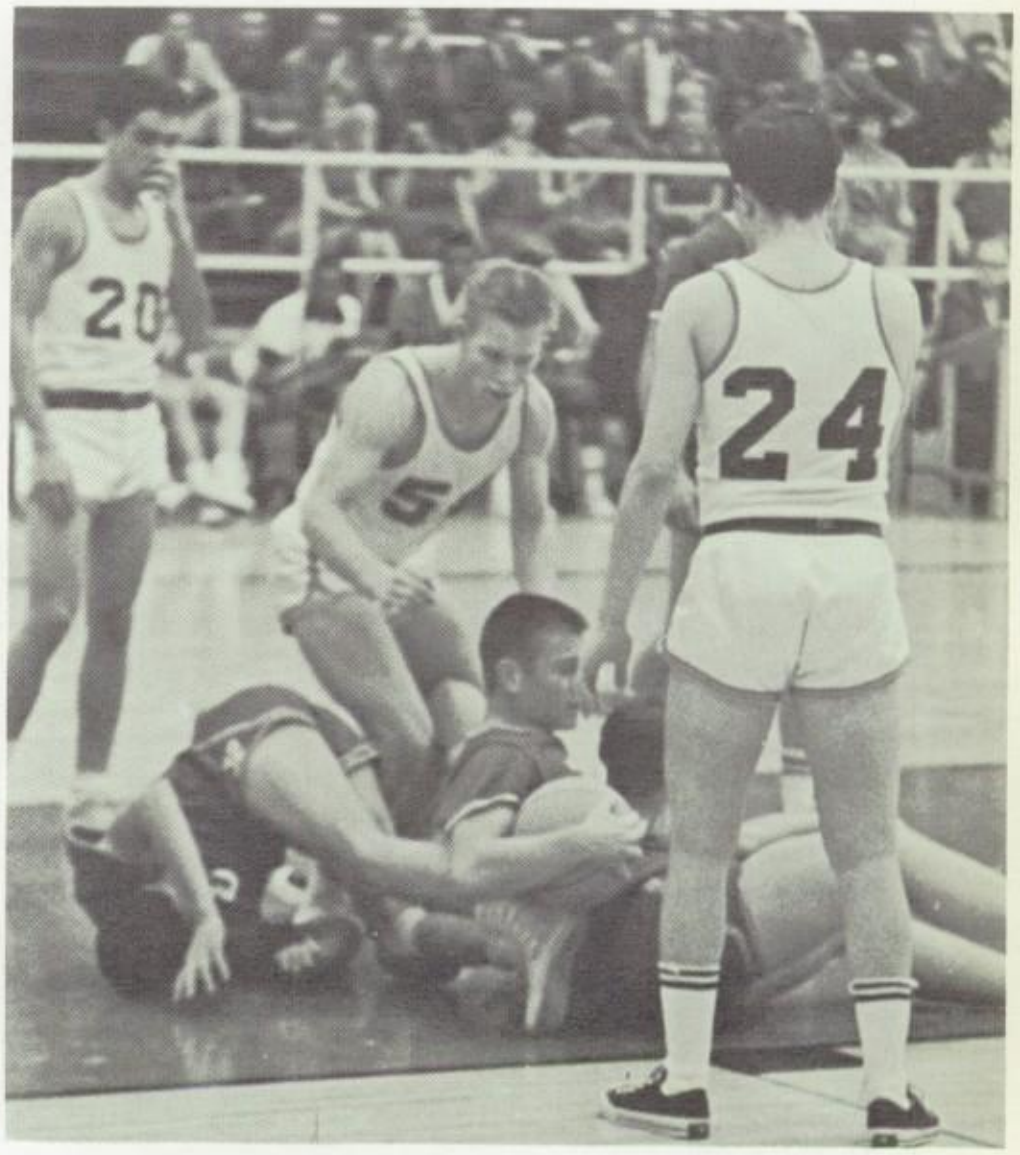
Coach Dick O'Day's JV cagers triumphed with a 13-6 season record. Outstanding victories included a 70-42 upset over Eisenhower, an impressive 72-43 victory over Colton, and a 68-35 knockout over Aquinas.

BEE BASKETBALL

The Redbird Bee team tallied a 6-13 record. The outstanding victory was a 49-46 conquest of Redlands. Victor Alvarado was named Most Valuable; John Griffith led as Captain.

CEE BASKETBALL

Cee Roundballers marched to a tremendous 13-2 season mark. Coach John Beck led his men to major defeats of Rubidoux, La Mirada, Perris, and Aquinas. The only defeats were at the hands of cross-town rival, Pacific.



Spills and thrills such as this were only a part of the '64 basketball season for JV's, Bee's, and Cee's.

Even Evensen, a bit fishy here, shows great coordination and timing, as Berdoo's top Merman.

SWIMMING

Berdoo's 36-strong swimming team, under the direction of Coach Gary Troyer compiled a 3-7 Varsity record. Highlights of the season included victories over Rubidoux and Yucaipa, and the advancing of returning lettermen Even Evensen to CIF swimming competition.

Coach Troyer was especially pleased that more boys competed for berths on the team than ever before. The squad numbered 36, in comparison to having 15 members in 1963.

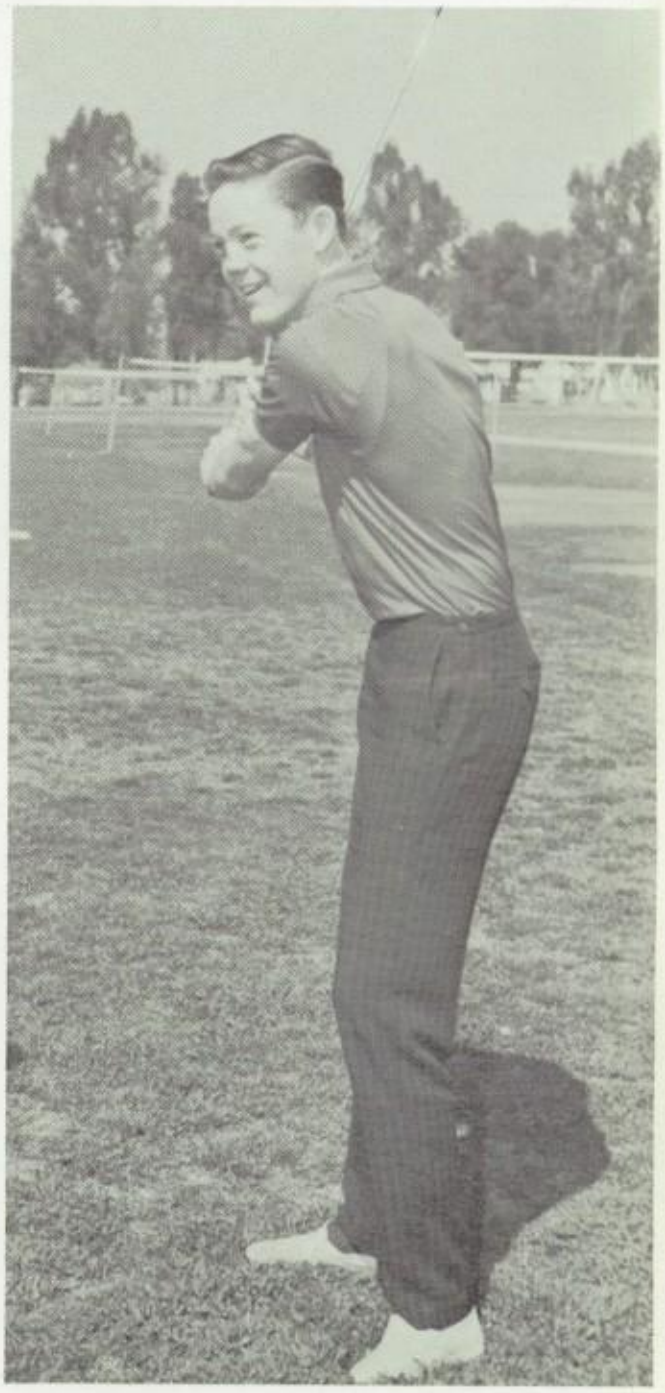
GOLF-TENNIS

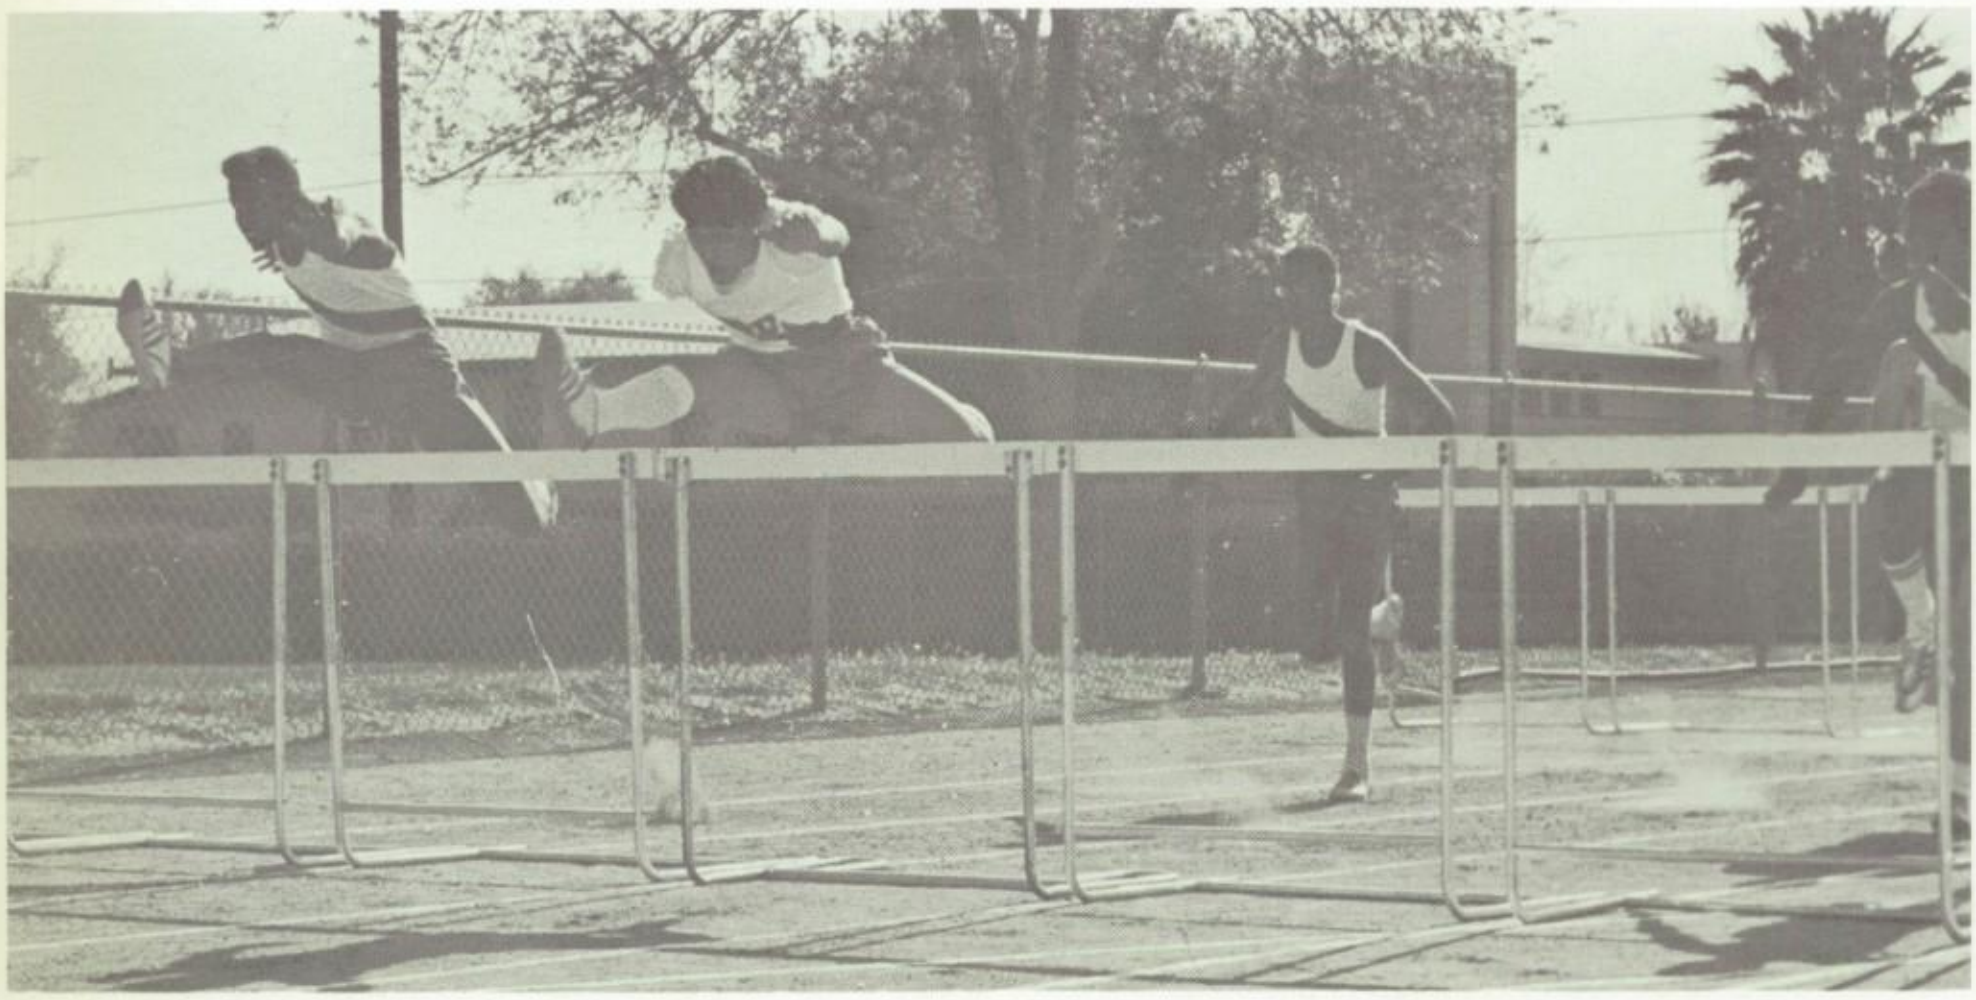
Varsity golfers at Berdoo, under the coaching of Mr. Jim Hackleman, enjoyed the best season in several years, coasting to a 3-1-1 record. The '64 golf squad, manned by John Lund, Bruce Wheeler, Joe McDowell, Bob Thompson, Terry Blatnick, Dick Delaney, and Greg Reeves, journeyed to the Arrowhead Country Club links for local matches.

Under the close coaching of Coach Carter, the Cardinal tennis team of 1964 showed promise and skill, but not strength in its battle over stronger opponents.



Don Seeker tees off for the SBHS Golf team.

Berdoo Spikers Place Third in CBL



Skimming the hurdles at immense speeds, Berdoo track aces amaze observers with their skill and endurance.

Putting all of his strength into the running broad jump, Louis Earthman, ace track star, boosted Berdoo ahead by many points.

Perhaps no other major sport at Berdoo allows such a wide exploration of talents as track. This year as in years past the cinderman coach was Mr. Hank Rohn. Boasting a 5-2 season record, Berdoo can look with pride on its outstanding track team.

The season kick-off with Fontana was a 61-43 clincher for the Redbirds. Colton was swept under with a 79-25 decision. Pacific, sometime rival, was a breeze with the score 76-28.

The only defeats of the '64 season were at the hands of Chaffey, 56-48, and of Riverside, 56-48 also.

In the Huntington Beach Relays, Saterfield, Highland, Kresge, and Denman finished the 880 in 4th place with a time of 1:29.9. The team placed 12th in overall competition.

The Cardinals placed 5th in the Chaffey Invitational. The relay team of Pulliams, Highland, Kresge and Saterfield finished the 880 in first place, clocking a 1:28:7. Second place in the 120 high hurdles went to Marvin Williams.

The Spike-O-Rama saw San Bernardino High School carry off the laurels with a total of 25 points. That well-known relay team again finished the 880 with a time 1:29.7, again placing first. Willie King took first place in the high hurdles blazing to 14.7.

In Mt. San Antonio Relays, Edgar Denman took first place in the 180 low hurdles, clocking a 19.6. In the distance medley Jess Smith, Tim Zietlow, Tony Guizar, and Rod Law placed fifth. The unbeatable team of Pulliams, Highland, Kresge, and Saterfield again stole first place in the 880, this time in 1:28.

The CBL prelims were held this year at Colton Union High School on May 5.

Ace track star Eddie Boone, passes hurdle and goes on to accomplish much in the 1964 track season.

BEE TRACK

Winning a total of 5 of their 7 meets, the Bee track team placed third in CBL competition.

In opening competition, Berdoo spikers downed Fontana 46-45, trompled Colton 66-28; and devoured Ramona 67-26.

The only defeats to beset the trackmen were to Chaffey with a score of 58-36, and to Riverside by a 52-39 score.

Pacific seemed to be no match this year for the aggressive Cardinal Bee's, for in all competition Pacific rated far below San Bernardino.

CEE TRACK

With a 6-1 season record, SBHS thinclads ended season holding the third place position in CBL.

Starting the season off with a smash, Berdoo pounded Fontana with an upset of 51-34. Next, the Redbirds beset Colton with the outcome 49-37 in favor of the Cards. Ramona was our next opponent, but the Rams were no match for the top-ranked Cee trackmen, and the score proved it, 52-32.

The closest meet was that with Redlands; Berdoo defeated the Terriers by a 43 2/3 score over their 41 1/3. Pacific was easily swept under in a 55-30 decision.

GIRLS' PHYSICAL EDUCATION

Along with the boys of our school, SBHS girls enjoy many outdoor sports in their PE program including: archery, basketball, track, tennis, and a wide assortment of other activities.

Indoor activities feature modern dance, most popular of the dance classes, although there are national and folk dance classes. Through these

classes, the girls gain poise, bodily exercise, social grace, and an understanding of musical rhythm. All the girls of Card City enjoy this part of their Gym classes.

Adding to the PE faculty this year were Miss Stone and Miss Kaiser; both soon became a popular part of the Gym classes.

This year as always the San Bernardino Pep Groups, instructed by Miss Livingston, were outstanding.

Precision, timing and concentration all are part of Berdoo's Drill Team.

Back in the spirit of the game once more, girls enjoy themselves.

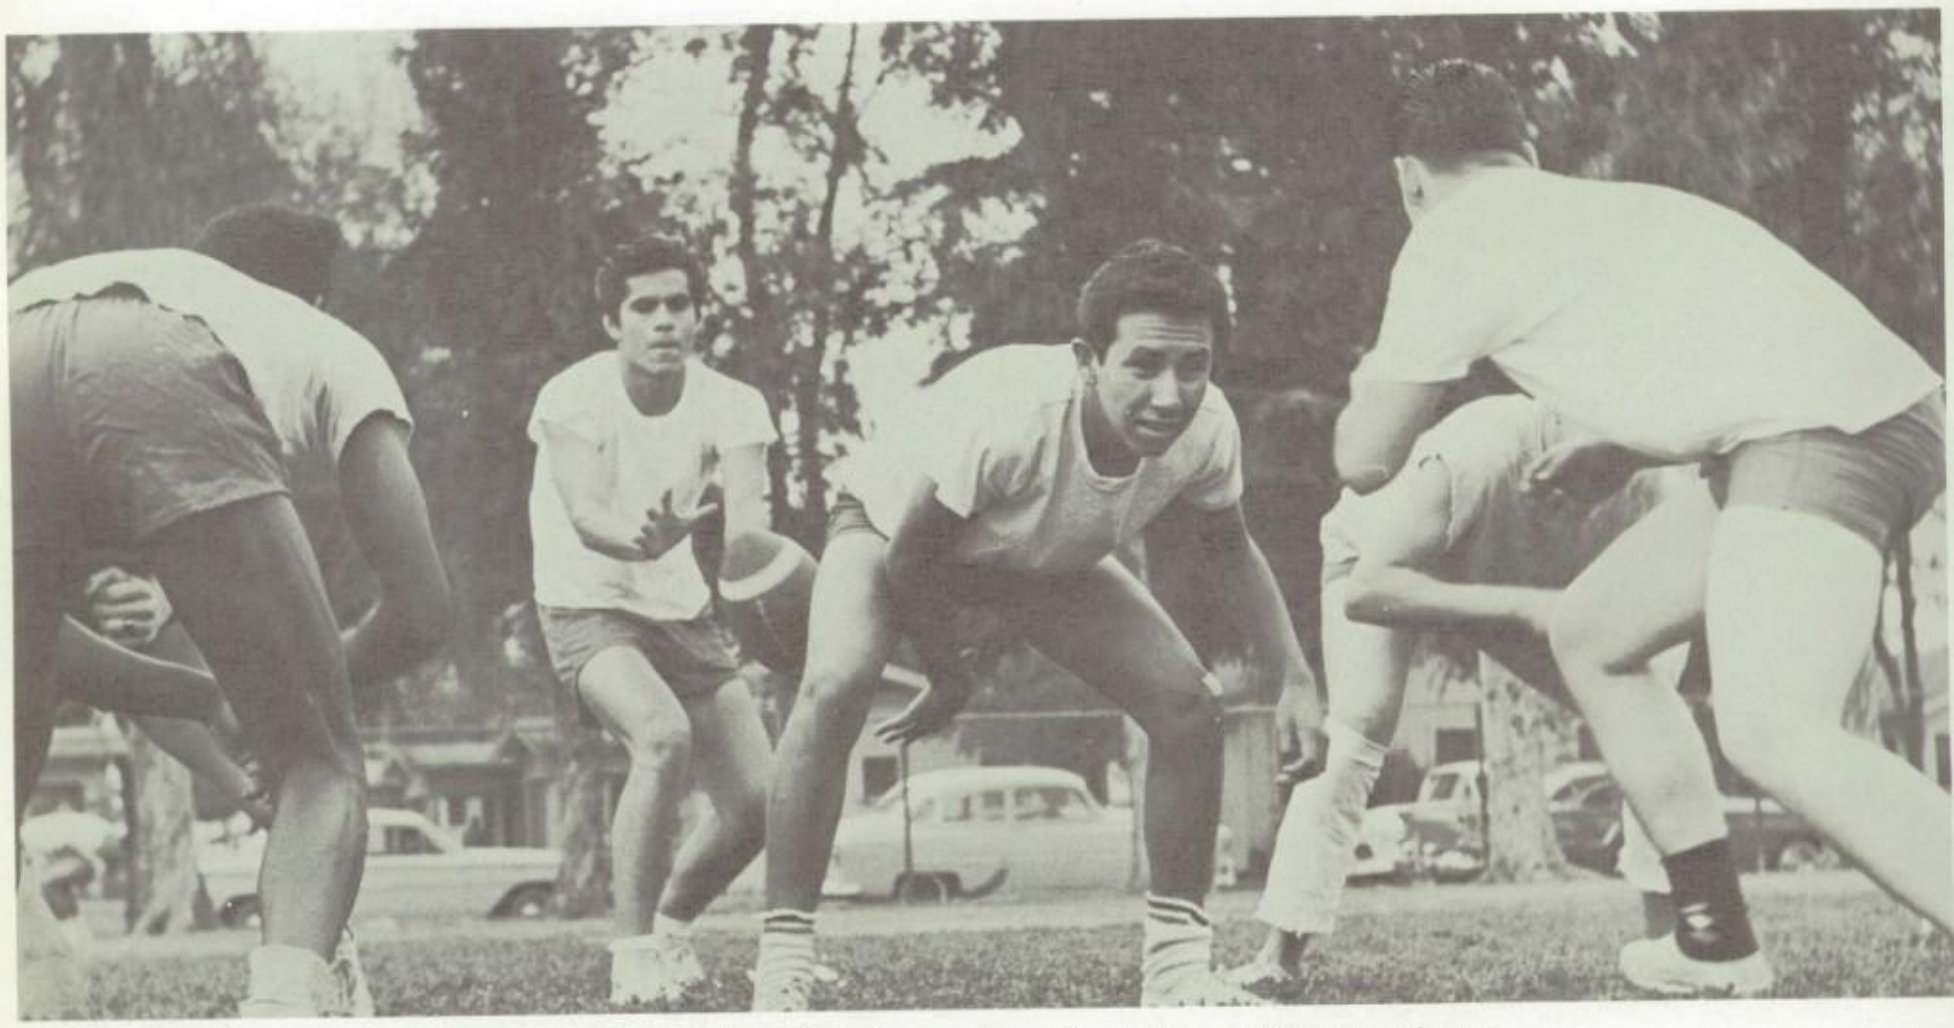
Though Not All Top Athletes, Everyone



Football, a traditional sport at San Bernardino High, is the top game in all boys' Physical Education classes.

Tripling as Math Teacher, Baseball coach and gym teacher, Mr. Wilkins enjoys all his jobs immensely.

BOYS' PHYSICAL EDUCATION

Almost at any time during the day the sound of young men's voices counting cadence or shouting in a sport of some sort can be heard. Berdoo is proud of its physical education program and its instructors, and justly so.

The coaches who have a distinct habit of taking our football, basketball, and baseball teams straight to CBL honors are also the coaches who teach the students day in and day out. The same care that goes into the making of these top competitive teams also goes into each PE class.

Not only handball, but tennis can effectively be played on these courts.

Gets A Share Of Exercise And Sports

Many Card Citizens who enjoy watching basketball also enjoy playing it.

A sport enjoyed all year round, volleyball was looked upon as a good device in perfecting teamwork and sportsmanship.

The students in all Gym classes are instructed in competitiveness, sportsmanship and fair play.

The PE program is usually divided into different sports, the most popular being football, baseball, and basketball. But in addition to these sports many Gym classes have devoted tennis, handball, track, gymnastics, and volleyball players.

In addition to their regular curriculum, sophomore boys enjoy a cool last six weeks at the Perris Hill Pool, all a part of their wide-range physical education program.

Intramural softball, popular sport this year, promoted friendly competition during PE classes.

No matter the size of the team, Redbird sportsters enjoy themselves in Berdoo Physical Education activities.

Two Cards enjoy tennis while learning the fundamentals necessary to achieve good form.

VARSITY BASEBALL

Ending the season with a successful 9-6 record, placing second in CBL competition, and vying for a position in CIF standings, the Varsity baseball squad under the able coaching of Jack Wilkins made the '64 season one of the best in recent Berdoo history.

At the beginning of the season the Varsity nine, in non-league competi tion shut out Antelope Valley, 7-0. The Pacific Pirates were wiped out by the Redbirds, 7-1. The Cards breezed by Pomona, 7-1.

Jumping into league competition, Wilkins' men devoured Chaffey, 9-2. The SBHS'ers took some of the sting out of the Colton Yellow Jackets by trouncing them, 4-1. Riverside, Fontana, Redlands, Ramona, and Pacific were defeated in turn by the Redbird aggressors.

Returning to the Varsity squad from 1963 were ten veterans including Jim Frame, Gilbert Salinas, Mike Nolen, Verle Millsap, John Hoak, John Anderson, Scotty Zoulko, Keith Faulk, Art Hardge, and Bill Jacobs.

On May 13 the baseball squad was honored at the annual Sports Awards Banquet. Receiving honors at the banquet were John Anderson, named Captain of the Varsity squad, Bill Jacobs, named the Most Valuable Player, and Jerry Nece, named Most Improved Player. The coveted Sportsmanship Award went to Verle Millsap.

JV BASEBALL

The JV baseball team ended the '64 season with a tremendous 17-1 record.

Starting the season with a flash, the JV's played a shut out with Antelope Valley, 6-0. Getting into the winning spirit, Berdoo whipped Pomona, 11-6. As the season progressed, Eisenhower was defeated by the Cardinal JV's 6-2. Pacific gave Berdoo another shut-out game with the score, 3-0. Riverside, Colton and Redlands were met by the JV aggressors and defeated.

At the annual Sports Award Banquet, Phil Holdaway was named captain of the JV team.

SOPHOMORE BASEBALL

The Sophomore baseball team, capably instructed by Coach Leonard Pecchia, soared to a 12-2-1 record for a most successful season.

Antelope Valley, Berdoo's first opponent was slaughtered 11-1. Fontana, the Redbirds' next victim, went down 13-8. The outstanding victory was Berdoo's 12-0 shut out of the Aquinas Junior Varsity team. Nothing could stop the Cardinals as they went on to defeat Eisenhower, Pacific, Fontana, Ramona, and Chaffey.

San Bernardino's only defeats were to Colton, 5-4, and to Riverside, 8-1. The season's only tie was with Pacific 5-5.

At the Awards Banquet, Lance Pecchia was named the Sophomore team captain.

ATHLETE OF THE YEAR

The Athlete of the Year award had many qualified candidates, but in the judgment of Berdoo coaches and PE teachers the most deserving is John Hoak.

Being in sports at Berdoo for three years is an accomplishment for any boy, but to remain in Varsity in three sports is an accomplishment deserving the praise of all loyal Cardinal Citizens.

Some may think the ultimate had been reached in his junior year, but not John. Once more he made Varsity football for 1963 again playing quarterback. John became a member of the now famous 1964 basketball team. The team placed first in CBL competition and John placed on the All-CBL defensive team.

John went on to join the Varsity baseball nine, playing catcher and left field.

"Outstanding," "Superior," and "Top," are used many times without the true meaning implied, but in the true sense of these words, the Tyro Annual, salutes John Hoak, as the outstanding, superior and top athlete of the year.

Top Boy, Girl Athlete of Year

GIRL ATHLETE OF THE YEAR

Head baton twirler of SBHS, co-captain of the Cardinal Drill team and all-around top sportswoman, Shirleen Bonacci was honored at the Sports Award Banquet by being Berdoo's Girl Athlete of the Year.

Shirleen has not only proved to be an asset to the Berdoo pep-groups, but she is also very active in many sports including swimming, gymnastics, and trampoline. She is also very interested in ice-skating and hopes some day to perform in the Ice Capades.

Shirleen, very active in track, accomplished the 660 in the best time for any girl at Berdoo.

The University of Arizona has awarded Shirleen a $1,200 scholarship to march with the Arizona Wildcat Band. In accepting this award she turned down another scholarship to the Pasadena City College to lead the Rose Parade.

Included in Shirleen's show case of 289 trophies and 94 medals are such honors as National and State Strutter, National and State Hoop. Twirler, and National and State Flag twirler. Shirleen also reigned as Miss Baton Booster of America.

"Let us go forth to lead the land we love."

Graduating Seniors of '64 have completed their three-year stint at SBHS with many outstanding achievements. These accomplishments range from the 4.00 grade point averages of Bonita Adamiec, Graziella Colo, and Marcia Henry, and the outstanding members of the Challenge Bowl team, Marcia Henry, Dennis Davis, and Fred Goldstein to the many certificates awarded to outstanding individuals.

Seniors also took pride in three great basketball players whom they will remember as being a part of their class of '64. These players were Ernest Powell, Jim Frame, and Charles Miles, who were awarded well-deserved certificates at the Awards Banquet and were named to the All-CBL team.

Three National Merit Finalists brought additional acclaim to SBHS; they were Fred Goldstein, Dennis Davis, and Marcia Henry. Named the recipients of Bank of America awards were Linda Cohen, who placed third in Area in fine arts; Marcia Henry, who placed 1st in Area and 2nd in Zone in liberal arts; Lonna Young, who placed 1st in Area and in Zone in vocational arts; and Bonita Adamiec, who placed 3rd in Area in the math-science area. This is the first time since 1960 SBHS has had first place winners.

In journalism Bonnie Long received the Long Scholarship, and Aida Alcala received a 1st place at the Chaffey Journalism Tournament. Thirteen students received various awards at the Writers' Clinic.

Two outstanding students brought the honor of winning the Regents' Scholarships to the University of California. They were Fred Budinger to Santa Barbara and Fred Goldstein to UCR.

The class of '64 presented to Cardinal City a class of young men and women striving for higher learning and successes as hard-working, well-rounded citizens.

Dr. Scott Holds Class Interest As He

Gail Wicklund

Daughters of the American Revolution representative Gail Wicklund was chosen by the girls of the Senior class as the "Good Citizen" of SBHS. The D.A.R. representative is chosen on the basis of an American history test and the candidates' dependability, service, leadership, and patriotism.

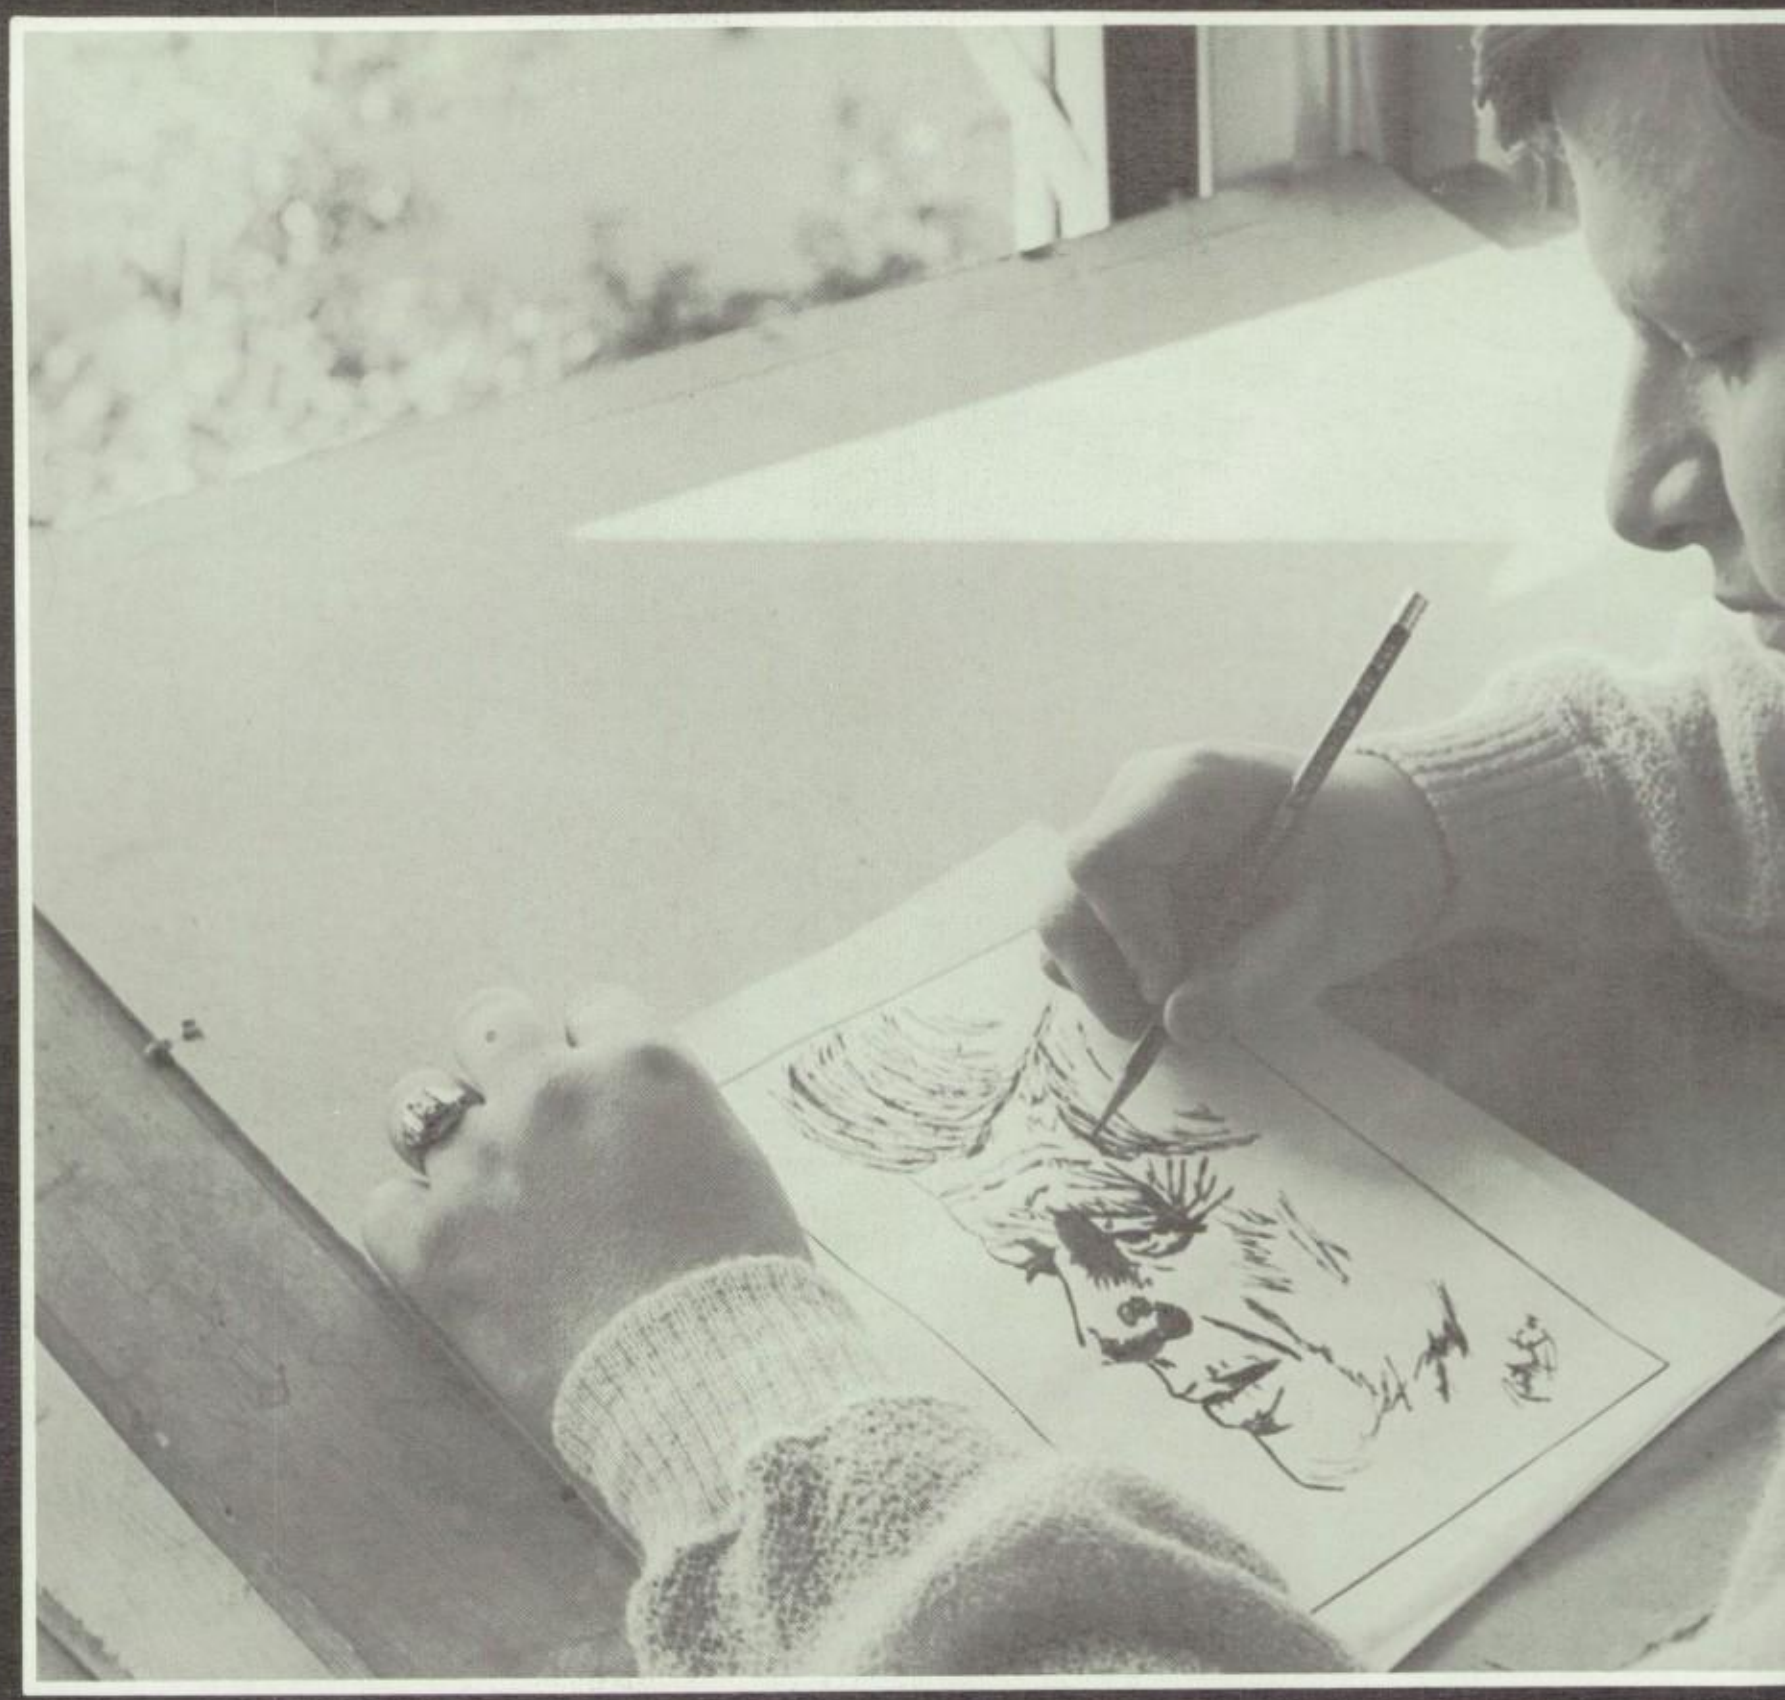
"The torch has been passed to a new generation of Americans."



Class Officers Worked to Make This a

Junior Class officers Ronnie Lethbridge, Social Chairman; Carol Whitehouse, Secretary; Julie Peterson, Vice-president, and Sam Gabriel, President, led the Junior Class through their second year at Cardinal City.

SBHS Juniors worked hard to uphold the many traditions of Cardinal City. Juniors hosted the first dance of the year and followed this dance with the traditional Junior Class Candy Sale. Proceeds from the candy sale helped defray the expenses of the Junior-Senior Prom.

Basketball season saw Sheryl Hartwell crowned Junior Darling at the Homecoming tilt with Fontana.

Amelia Gabriel, one of the representatives of the American Field Service Students Abroad Program, was chosen a finalist in New York and will study abroad this summer if a home is found for her.

The Class of '65 will boast of the special distinction of being the 50th class to graduate from this campus. To celebrate this event their class rings have a "50" under the crest instead of the traditional "HS."

The highlight of the year for Juniors was the Junior-Senior Prom. Juniors had been planning "Soirée Parisienne" for over a year. They were guided by Mrs. Yvette Battin, one of the class sponsors. Feeling the Prom a great success, class president Sam Gabriel stated, "I'd like to thank the administration and all the Juniors who made the Prom a success."

The toiling Class of '65, looking back on their Junior year, will remember 1963-1964 as one of their most enjoyable and successful years at Card City.

SOPHOMORE CLASS

Unlike the Juniors and Seniors, the first days of September, 1963, were unique and exciting events for the Sophomores as newcomers to Card City.

Off to a quick start, the Sophs held their class elections and chose Mike Pettit as class president and Linda Lippitt as vice-president. Carol Niemeyer was elected secretary.

To boost the class treasury Sophomores sold candy canes shortly before Christmas. The second and probably most important function of the class of '66 was the clean-up activities after the Junior-Senior Prom. In years past the turnout for this unglamorous task has been small, but Sunday, May 3, over 150 Sophomores appeared to help with the clean-up campaign.

1963-1964 was not all business and work, however; beauty and personality were abundant in the Sophomore Class. On the 1964 Basketball Homecoming throne Sookie Quiroz reigned as the Darling of her class.

Guiding, advising and in many ways helping Sophomores to a more pleasant year were counselors Mr. John Regalado and Miss Bonnie Brownell.

In summing up the year's activities and hopes for the future, Sophomore president Mike Pettit stated, "In my frank opinion, I feel this class of '66 will remain to be one of the best and most energetic classes ever to graduate from the grounds of San Bernardino High."

Miss Brownell and Mr. Regalado schedule and reschedule classes for all incoming Sophomores.

As the eternal flame has been passed on to a new generation of Americans, so do we, the TYRO Annual staff of SBHS, pass on the 1964 TYRO to citizens and friends of Cardinal City. It is our sincere hope that we have reproduced a meaningful story of the 1963-1964 academic year.

This volume is dedicated to an idea, an idea represented by a man, but even more, an idea that is symbolized by an eternal flame. All that the eternal flame at the grave of President Kennedy symbolizes is expanded into the hope that the flame of knowledge which goes forth from San Bernardino High School will light the lives of its students and in turn will truly light the world.

With thanks to many and with cherished memories of 1963-1964 at SBHS, the 1964 TYRO Annual is presented.

JANICE DILLON
Editor-In-Chief

The TYRO staff is grateful to the following organizations and individuals for their services in the production of the 1964 TYRO: World Wide Photos, Inc., New York City, pages 4, 7; Harris Co. Photo Studio, Mr. Sam Gordon, Mr. Frank Denino; Inland Printing and Engraving Co., Mr. Milo Olivera, Mr. Elmer Miller, Mr. Duke Lages; S. K. Smith Co., Los Angeles, Mr. Jack Cannicott; Mr. Bill Threatt, SBHS Photography Dept.; Mr. John Regalado, editorial assistance; Miss Ruth Myers, SBHS Financial Secretary.

IN MEMORIAM

Ellen Marie Pryzbyla

"I do not believe that any of us would exchange places with any other people or any other generation. The energy, the faith, the devotion which we bring . . . will light our country and all who serve it—and the glow from that fire can truly light the world.

Finally, whether you are citizens of America or citizens of the world, ask of us here the same high standards of strength and sacrifice which we ask of you. With a good conscience our only sure reward, with history the final judge of our deeds, let us go forth to lead the land we love, asking His blessing and His help, but knowing that here on earth God's work must truly be our own."

—John Fitzgerald Kennedy

Inaugural Address

Betty,
Best of luck in
the years to come
and God Bless You.
Ella Mason
=65"

Betty,
You are real swell girl
who I admire greatly
to have known you
even though I've only
seen you a few times
and I'm sure I'll get
to see you more often
in the future.
Always
Love
Barbara

P.S. Hope you
Chorus

Betty,
It's been
nice seeing some
one like you with
such a wonderful smile.
keep smiling, and loads
of luck. Gladys Hill

Good luck
Betty in
the near
future. Gilda Smith '65

Betty,
I have enjoyed
Drawing & talk
to you this
Year. Best wishes
Donna

Betty,
Do a real sweet
girl, I've enjoyed
knowing you
you Sophomore year.
Have fun this
summer.
Sincerely,
Elmo Blankenship
Class of 64

To -
Miss Betty J. Fredericks
Betty,
the short time I have
known you has proved
very rewarding and
even though we won't
see each other too
often, our friendship
shall always grow.
I hope that you
have the best of
success in your
future accomplish-
ments because you
are a real wonder-
ful person and no
one can say any
different cause I
respect you a lot.
Of course you will
always be remembered
by me and I will
positively send you an
invitation to my wedding
if the date ever gets
here. Lots of luck, Love,
and Laughter -- Miss Brenda Pitcairn

Dear Betty: — May I take this opportunity to tell you how much I have always admired you, You're such a sweet Girl, and I do hope Life will be very good to you, Its been a pleasure to have worked near such a Dear little Lady as you, Sincerely
Katharine Bailey Matron S.B.H.S.

Betty, Here's wishing you lots of luck and happiness in the coming future. Good luck in the world.
Always Mary Ann

Betty
Best of luck in the years to come
Be sweet & God Bless you.
